Blanks	121	34	34	189

A true Record: Attest:

CHARLES F. YOUNG, Town Clerk

March 3, 1942

George A. Bennett nominated for the office of Inspector of Animals by the Board of Selectmen at their meeting on March 3, 1942.

Record of Town Meetings

ANNUAL TOWN MEETING, MARCH 9, 1942

The meeting was called to order at 7.35 P. M., by Moderator Thomas G. O'Connell, who read the call for the meeting.

On motion by Patrick H. Tenney:

Voted: That further reading of the warrant be dispensed with, with the exception of the constable's return. Return was read.

ARTICLE 1

To act upon the reports of Town Officers as published.

On motion by Harry Marshall:

Voted: That the reports of Town Officers be laid on the table.

ARTICLE 2

To choose all Town Officers not required to be chosen by ballot.

On motion by Harry Marshall:

Voted: That the Moderator appoint a committee of five to bring in nominations for all Town Officers not required to be chosen by ballot.

ARTICLE 3

To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1942, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year, in accordance with Section 17, Chapter 44, General Laws.—John I. Preston and others.

On motion by Finance Committee:

Voted: That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1942 and to issue a note or notes therefor, payable within one year and to renew any note or notes as may be given for a period of less than one year, in accordance with Section 17, Chapter 44, General Laws.

ARTICLE 4

To see if the Town will vote to authorize various departments to purchase new equipment at net costs not exceeding amounts specified below, exchanging similar equipment therefor, where now owned, the net cost of such new equipment to be expended from the appropriations voted for such departments.

Town Hall

1 Piano	\$ 400.00
---------	-----------

Police Dept.

1 Automobile	500.00
--------------	--------

School Dept.

6 Gas Stoves	180.00
--------------	--------

Park Dept.

Cement Seats for Park and Common	100.00
----------------------------------	--------

Cemetery Dept.

1 Power Mower	150.00
---------------	--------

Water & Sewerage Dept.

Chlorinating Machine	700.00
----------------------	--------

Equipment for Standpipe	1,500.00
-------------------------	----------

	<hr/>	\$ 2,200.00
--	-------	-------------

Amendment by Sel. Adams:

That the motion as offered by the Finance Committee be amended so that the Police Department be authorized to purchase one motorcycle in the amount not exceeding \$400.00. With this amendment Article 4 was so **voted**.

* * *

(Suspension of Annual Meeting and Calling of SPECIAL Meeting, 8 P. M.)

* * *

Moderator Thomas G. O'Connell read the call for the special meeting, and read the constable's return therefor.

ARTICLE 1

To see if the Town will vote to raise and appropriate a sum of money to invest in Defense Bonds or other bonds issued by the Federal Government as authorized by Chapter 4 of the Acts of the Year 1942, and that a committee of fifteen be appointed to lay out a post war work program for road and drainage construction.—Board of Selectmen.

Motion by Finance Committee:

That the Town raise and appropriate the sum of \$10,000 to be invested in Government Defense Bonds and authorize the Treasurer with the approval of the Board of Selectmen to purchase such bonds, with the recommendation that they be Series G Defense Bonds and that a committee of fifteen be appointed to lay out a post war work program for construction.

Selectman Adams offered the amendment that \$20,000 be so invested instead of \$10,000.

Frank Wakefield made the motion that the meeting be held in recess until all articles of the annual meeting are disposed of before deciding this article. It was so **voted**.

(Resumption of Annual Town Meeting)

Moderator O'Connell called the meeting to order, Article 5 being the next order of business.

ARTICLE 5

To see what action the town will recommend as to a general or flat rate increase in salaries of the town officers and employees for the year 1942.—Howard A. Jones and others.

On motion by Finance Committee:

Voted: That no general or flat rate increases in salaries of town officers and employees be granted.

ARTICLE 6

To determine how much money the Town will raise and appropriate for General Government, Protection of Persons and Property, Health and Sanitation, Highways, Charities and Soldiers' Benefits, Education, Recreation, and Unclassified Public Service Enterprises, Interest and Maturing Debt, specifying what appropriations shall be taken from the receipts of a department.

ARTICLE 10

To see if the Town will vote to raise and appropriate a sum of money for the improvement of Lowell Street; said money to be used in conjunction with any money which may be allotted by the state or county, or both, for this purpose or take any other action in relation thereto.—Board of Selectmen.

On motion by Finance Committee:

Voted: That the subject matter of this article be indefinitely postponed.

ARTICLE 11

To see if the Town will vote to raise and appropriate a sum of money for the improvement of Salem Street; said money to be used in conjunction with any money which may be allotted by the state or county, or both,

for this purpose or take any other action in relation thereto.—Board of Selectmen.

On motion by Finance Committee:

Voted: That the subject matter of Article 11 be indefinitely postponed.

ARTICLE 12

To see if the Town will vote to raise and appropriate a sum of money for the maintenance of various streets; built under Chapter 90, General Laws, Ter. Ed., said money to be used in conjunction with any money which may be allotted by the state or county, or both, for this purpose or take any other action in relation thereto.—Board of Selectmen.

On motion by Finance Committee:

Voted: That the Town raise and appropriate \$1,000. to carry out the purposes of Article 12, only such portion thereof to be expended as may be equal to one half the sum provided by the State and County together for the same purpose.

ARTICLE 13

To see if the Town will authorize the Board of Selectmen to accept on behalf of the Town, conveyances or easements from time to time, giving the Town the right to slope land back from the street lines and to construct retaining walls.—Board of Selectmen.

On motion by Finance Committee:

Voted: That the Board of Selectmen be authorized to accept on behalf of the town, conveyances or easements from time to time, giving the town the right to slope land back from the street lines and to construct retaining walls, such authorization to extend until the next annual town meeting.

ARTICLE 14

To see if the Town will raise and appropriate money for WPA and other Federal Projects.—Board of Selectmen.

On motion by Finance Committee:

Voted: That the town raise and appropriate the sum of \$10,000. to carry out the purposes of Article 14, except that expenditures thereunder shall be made only for administration and for purposes within the scope of approved W. P. A., or other Federal Projects.

ARTICLE 15

To see if the Town will raise and appropriate a sufficient sum of money to be expended for painting and carpenter work at the Lafayette Building.—Board of Selectmen.

On motion by Finance Committee:

Voted: That the Town raise and appropriate the sum of \$300. to carry out the purposes of Article 15.

ARTICLE 16

To see if the Town will raise and appropriate a sufficient sum of money to be expended by the Highway Department for construction of a cement sidewalk and curbing and to re-locate existing fence on the westerly side of Main Street, being a continuation of the present sidewalk along Lake Quannapowitt to Lowell Street.—Board of Selectmen.

On motion by Finance Committee:

Voted: That the Town raise and appropriate the sum of \$1,500. to carry out the purposes of Article 16.

ARTICLE 17

To hear and act upon a report of the Board of Selectmen laying out a town way under the Betterment Act in substantially the same location of the private way known as Bellevue Avenue running easterly from Preston Street approximately seven hundred feet and raise and appropriate money for the construction thereof.—Board of Selectmen.

On motion by Robert H. Adams:

Voted: That the subject matter of Article 17 be indefinitely postponed.

ARTICLE 18

To hear and act upon a report of the Board of Selectmen laying out a town way under the Betterment Act in substantially the same location of the private way known as Crosby Road running northerly from Oak Street approximately 665 feet and raise and appropriate money for the construction thereof.—Board of Selectmen.

On motion by Finance Committee:

Voted: That the subject matter of Article 18 be indefinitely postponed.

ARTICLE 19

To hear and act upon a report of the Board of Selectmen laying out a town way under the Betterment Act in substantially the same location of the private way known as Cutter Street running westerly from North Avenue approximately 350 feet, and raise and appropriate money for the construction thereof.—Board of Selectmen.

On motion by Finance Committee:

Voted: That the subject matter of Article 19 be indefinitely postponed.

ARTICLE 20

To hear and act upon a report of the Board of Selectmen laying out a town way under the Betterment Act in substantially the same location of the private way known as Willow Street running westerly from North Avenue approximately 375 feet and raise and appropriate money for the construction thereof.—Board of Selectmen.

On motion by Finance Committee:

Voted: That the subject matter of Article 20 be indefinitely postponed.

ARTICLE 21

To see if the Town will raise and appropriate a sufficient sum of money to paint and make necessary repairs upon the Central Fire Station.—Board of Selectmen.

On motion by Finance Committee:

Voted: That the Town raise and appropriate the sum of \$500. to carry out the purposes of Article 21.

ARTICLE 22

To see if the Town will raise and appropriate a sufficient sum of money to paint and make necessary repairs upon the fire station at Greenwood.—Board of Selectmen.

On motion by Finance Committee:

Voted: That the Town raise and appropriate the sum of \$800. to carry out the purposes of Article 22.

ARTICLE 23

To see if the Town will vote to authorize the Board of Selectmen to take by right of eminent domain or purchase under Chapter 79 of the General Laws an easement for drainage purposes in and over the following described property:

Parcel 1—In property of Laura M. C. Rexford. Beginning at a point on the dividing line of land of Rexford and land of Clough, said point being five and one one-hundredth (5.01) feet northerly from the dividing line of land of Clough and land of Robinson; then N 78-15 W through land of Rexford a distance of fifty-four and one one-hundredth (54.01) feet; thence S 11-45 W through land of Rexford fifteen and no one-hundredths (15.00) feet; thence S 78-15 E through land of Rexford fifty-four and eighty-seven one hundredths (54.87) feet to the land of Robinson; thence by land of Robinson and land of Clough fifteen and three one hundredths (15.03) feet to point of beginning. Said description is intended to conform with a plan entitled "Plan of Drainage Easement in Wakefield, Massachusetts" dated December 28, 1940, John F. Rand, Civil Engineer, Melrose, to be recorded herewith.

Parcel 2—In land of Herman L. and Lois H. Robinson bounded beginning 265 feet northerly from the intersection of Grafton and Ames Streets, thence the line runs at right angles 115.13 feet by land of Robinson thence by land of Rexford northerly 10.02 feet to land of Clough, thence by land of Clough 115.7 feet easterly to Ames Street thence by Ames Street 10 feet southerly to point of beginning, and raise and appropriate a sufficient sum of money to pay therefor.—Board of Selectmen.

On motion by Finance Committee:

Voted: That the Board of Selectmen be authorized to take by eminent domain or purchase, under Chapter 79 of the General Laws, an easement for drainage purposes in and over the property described in Article 23, and that the Town raise and appropriate the sum of \$25.00 therefor.

ARTICLE 24

To see if the Town will vote to accept the provisions of Chapter 710 of the Acts of the year 1941, entitled "An Act Relative to the Registration and Operation of Certain Bicycles."—Board of Selectmen.

The act was read by the Moderator.

On motion by Robert H. Adams:

Voted: That the Town accept the provisions of Chapter 710 of the Acts of 1941, being an act relative to the registration and operation of certain bicycles.

ARTICLE 25

To see if the Town will vote to sell to Ralph A. Crosby, Trustee of the Wakefield Construction Company, for a nominal consideration, a certain parcel of land bounded and described as follows: Easterly by Meriam Street, 20 feet; southerly by other land of Ralph A. Crosby, Trustee of the Wakefield Construction Company 100.75 feet; westerly by other land of the Town of Wakefield, 30.28 feet; and northerly by other land of the Town of Wakefield, 100 feet; and authorize the treasurer in the name and behalf of the Town of Wakefield, to execute and deliver its deed therefor.—Joseph W. MacInnis, Building Inspector.

On motion by Finance Committee:

Voted: That the Town vote to sell to Ralph A. Crosby, Trustee of the Wakefield Construction Company, for a nominal consideration, land as described in Article 25 and authorize the Treasurer to execute and deliver a deed for same in the name and behalf of the Town of Wakefield.

ARTICLE 26

To see if the Town will vote to authorize the Board of Health to execute for the term of three years a contract for the collection of garbage, the contractor to be under suitable bond. Said contract not to exceed three years and to become effective at the expiration of the present contract, which expires June 30, 1942.—Board of Health.

On motion by Finance Committee:

Voted: That the Town vote to authorize the Board of Health to execute a contract for collection of garbage, said contract not to exceed a term of three years from June 30th, 1942, and to be let only after advertising for public bids.

ARTICLE 27

To see if the Town will authorize the Water and Sewerage Board to construct a sewer in the following locations: Commencing at a manhole at an angle in Greenwood Avenue thence in a private way, westerly about 88 feet to Oak Street, thence in Oak Street northeasterly about 220 feet, thence in Green Street northerly approximately 970 feet, and raise and

appropriate a sufficient sum of money therefor or authorize the Treasurer, with the approval of the Selectmen, to borrow or issue notes or bonds therefor.—Board of Health

On motion by Finance Committee:

Voted: That the subject matter of Article 27 be indefinitely postponed.

ARTICLE 28

To see if the Town will authorize the Water and Sewerage Board to construct a sewer in a private way between Meriam Street and Forest Street, called Robert Street, commencing at a manhole in said Robert Street thence westerly and southerly in Robert Street to Forest Street approximately 863 feet, and raise and appropriate a sufficient sum of money therefor or authorize the Treasurer with the approval of the Selectmen, to borrow or issue notes or bonds therefor; and authorize the Water and Sewerage Board of the Town of Wakefield to take by eminent domain under the authority of Chapter 377, Acts of 1900, and any other authority thereto enabling them, or by purchase, an easement in the whole of the private way as shown on a plan by John F. Rand entitled "Plan of Land in Wakefield, Mass.," belonging to Wakefield Construction Company, Ralph A. Crosby, Tr., dated October 31, 1941, and approved by the Board of Survey, Town of Wakefield and on file in the Town Clerk's office. Board of Health.

On motion by Finance Committee:

Voted: That the Town authorize the Water and Sewerage Board to construct a sewer as described in Article 28, and raise and appropriate the sum of \$5,000; and also to authorize the Water and Sewerage Board to take by eminent domain under authority of Chapter 377 of the Acts of 1900, or by purchase, and easement as described in Article 28.

ARTICLE 29

To see if the Town will authorize the Water and Sewerage Board to construct a sewer in Forest Street approximately 215 feet easterly and 300 feet westerly from the intersection of a private way known as Robert Street, and raise and appropriate a sufficient sum of money therefor or authorize the Treasurer, with the approval of the Selectmen, to borrow or issue notes or bonds therefor.—Board of Health.

On motion by Finance Committee:

Voted: That the Town authorize the Water and Sewerage Board to construct a sewer as described in Article 29 and raise and appropriate the sum of \$3,000. therefor.

ARTICLE 30

To see if the Town will appropriate a sum sufficient to pay the County of Middlesex as required by law on account of assessments levied on the town for its share of the principal of the Middlesex County Tubercu-

lois Hospital Funding Loan, Act of 1932 bonds maturing in 1942, issued in compliance with Chapter 10, Acts of 1932, also for any other indebtedness incurred and outstanding under said Chapter 10, also for the Town's share of the cost and interest on said bonds due in 1942, also for the care, maintenance, and repair of said Hospital for 1941 and including interest on temporary notes issued therefor in accordance with sections of Chapter 111 of the General Laws applicable therefor, and for all other expenses in connection therewith, including Chapter 400, Section 25G (6) (a) of the Acts of 1936, determine how the money shall be raised, or in any way act thereon.—Board of Selectmen.

On motion by Finance Committee:

Voted: That the Town raise and appropriate the sum of \$9,284.22 to carry out the purposes of Article 30.

ARTICLE 31

To see if the Town will vote to authorize the Water and Sewerage Board to lay water mains in the following streets: In Charles Street from Birch Hill Avenue southeasterly about 660 feet; in Salisbury Road from Charles Street southerly about 500 feet; in Cumberland Road from Salisbury Road Westerly about 300 feet; and in Holland Road from Salisbury Road easterly about 400 feet and appropriate a sufficient sum of money therefor and authorize the Treasurer, with the approval of the Selectmen, to borrow and issue notes or bonds therefor.—Delphine O. Cuzzi and others.

On motion by Finance Committee:

Voted: That the subject matter of Article 31 be indefinitely postponed.

ARTICLE 32

To see if the Town will raise and appropriate the sum of \$1,000 to reclaim and replant all or part of the area on the southwest watershed of Crystal Lake formerly used as a gravel pit by the Town.—Board of Selectmen.

On motion by Finance Committee:

Voted: That the subject matter of Article 32 be referred to the Board of Selectmen for consideration as a W. P. A. project.

ARTICLE 33

To hear and act upon the report of the Committee appointed under Article 37 of the warrant for the annual meeting of 1939 to study needs of the Town in respect to shade trees.—Board of Selectmen.

Donald White, for the committee, read a report stating that the committee believes in the desirability of enhancing the beauty of the Town by the planting of various tree species other than those commonly in use on our streets, and that, last year, the committee proposed to ask for an

appropriation of \$100, and that the committee still believes any reasonable sum of money expended in this manner is well expended. The report was signed by John A. Landry, Frank T. Woodbury, C. Mabel Greenough and Donald White, chairman.

On motion by Harry Marshall:

Voted: That the report as read be accepted and adopted.

ARTICLE 34

To see if the Town will raise and appropriate the sum of \$100.00 to be expended by the Tree Warden for the purpose of acquiring small shade trees of various kinds to be planted in the Town Nursery for future use on the highways of the Town.—Donald White, Chairman, Committee on Shade Trees.

On motion by Howard A. Jones for the Finance Committee:

Voted: That the Town raise and appropriate the sum of \$100. to carry out the purposes of Article 34.

ARTICLE 35

To hear and act on the report of the Committee appointed by vote of the Town Meeting acting under Article 5 of the Special Town Meeting Warrant, August 18, 1941.—Frank P. Wakefield, Chairman Committee.

Frank P. Wakefield submitted the following report, which he read:

REPORT OF COMMITTEE UNDER ARTICLE 5 OF SPECIAL TOWN MEETING OF AUG. 18, 1941

Under Article 5 of the Warrant for Special Town Meeting of Aug. 18, 1941 voted that the article be referred to a committee of five to be appointed by the Moderator; said committee to consist of one member of the Board of Selectmen, one member of the Park Commissioners, one member of the Planning Board and two citizens.

Said committee shall consider the question of the acceptance of said Article 5, and also what policy the Town should take on future articles of similar nature. The committee shall report at the next Annual Town Meeting.

The Moderator appointed Orrin J. Hale of the Board of Selectmen, John T. Stringer of the Park Commission, Edward M. Bridge of the Planning Board, John J. Round and Frank P. Wakefield, Citizens.

The Committee organized with Frank P. Wakefield, Chairman and John J. Round, Sec'y.

At its first meeting the committee extended to Mr. DeVries an invitation to attend its next meeting. He accepted and after a pleasant talk, he informed us that he was withdrawing his offer to give to the Town the land on Pleasant St. as he had decided to build on the same. We understand that this has been done.

This took care of the first duty of the Committee.

On the matter of policy the Town should adopt in the future in regard to similar offers the committee has given careful consideration.

The committee appreciates the worthy purpose of citizens who wish to give land to the Town for Park or other Municipal purposes but feels that the Park System should be developed in a logical manner, rather than a hit or miss system.

1. The Town should not accept small lot size parcels of land unless they fit into a logical Park System.

2. The Town could accept a number of evenly spaced small parcels for neighborhood playgrounds for small children.

3. We should never refuse land around the two lakes.

4. Provision should be made for small local parks and playgrounds in outlying sections of the Town.

5. The Town should seek the gift of rocky hills not suitable for building, because if built upon it is usually cheap houses that will not carry their share of the tax burden for public services.

6. Swamp land that may be used as public dump.

The Committee wished to ascertain if the Town did not have by Tax Title some of the rocky hills and swamp land; but could not ascertain much about it from the Town officers.

It should be made the duty of some Department to list such property and sufficient funds provided. This work we believe in a short time would more than pay for itself.

In order that there may be a systematic consideration of these recommendations the committee is of the opinion that the Town should adopt an amendment to its by-laws covering these matters.

The committee has prepared for consideration of the Town a proposed by-law which will be found in an article in the Warrant for this meeting.

Respectfully submitted,

Frank P. Wakefield,

Orrin J. Hale,

John T. Stringer,

Edward M. Bridge,

John J. Round.

On motion by William B. Stantial:

Voted: That the report be accepted.

ARTICLE 36

To see if the Town will amend its By-Laws by adding a new chapter #11A as follows:

When in any Article in a Town Meeting Warrant, it is proposed to offer to the Town any land, or land and buildings, for park or other purposes, the Town Planning Board shall consider such a proposal with respect to the possibilities, needs and plans for future development of the Town, holding a public hearing thereon, with such notice as it deems reasonable, if it determines that such hearing is desirable and after such con-

sideration shall report its recommendations to that Town Meeting. Such an Article shall be placed only in the Annual Town Meeting Warrant unless the Board of Selectmen consider the matter especially urgent; then it may be acted on at a Special Town Meeting.—Frank P. Wakefield and others.

On motion by Frank P. Wakefield:

Voted Unanimously: That the Town amend its by-laws by adding a new chapter #11A, as follows:

CHAPTER 11A

When in any Article in a Town Meeting Warrant, it is proposed to offer to the Town any land, or land and buildings, for park or other purposes, the Town Planning Board shall consider such proposal with respect to the possibilities, needs and plans for future development of the Town, holding a public hearing thereon, with such notice as it deems reasonable, if it determines that such hearing is desirable and after such consideration shall report its recommendations to that Town Meeting. Such an Article shall be placed only in the Annual Town Meeting Warrant unless the Board of Selectmen consider the matter especially urgent; then it may be acted on at a Special Town Meeting.

ARTICLE 37

To hear and act upon the report and recommendations of the Special Town Infirmary Committee appointed under Article 5 by the Moderator at the Special Town Meeting of November 17, 1941.—John T. Stringer, Chairman.

John T. Stringer read the report of the committee which report stated the committee to be firmly convinced that the land now in use is not suitable for further cultivation until reconditioned, and was unanimously agreed that a plot of similar size should be substituted for the cultivation of vegetables for Welfare purposes.

The report was signed by the Committee: John T. Stringer, chairman; Richard M. Davis, secretary; J. Frank Anderson; Francis J. Smith; and C. B. Dinan.

ARTICLE 38

To see if the Town will vote to set apart, for welfare purposes only, a parcel of land bounded and described as follows, in place of land set apart for welfare purposes by vote of the Adjourned Town Meeting on March 15, 1933, to wit:

Beginning at a spike, which is N32°E, 160.0 feet from a stone bound in front of Town Infirmary in the easterly line of Farm Street; thence S58°E, 200.6 feet to a spike, thence S33° 11'W, 315.6 feet to a tall pipe used as vent for gas tank; thence S33° 11'W, 126.5 feet to a spike; thence S64° 56'E, 207.3 feet to a stake on westerly bank of an existing brook; thence by the westerly bank of said brook in a southwesterly direction 204.7

feet to a bend in the brook, thence by westerly bank of said brook in a southwesterly direction 232.0 feet to a stone wall; thence by an existing stone wall, in a northwesterly direction 202.0 feet to a county commissioners' stone bound that is in the easterly line of Nahant Street; thence by the easterly line of Nahant Street 180.56 feet; thence by a curve of radius 534.78 feet bearing to the right 149.03 feet; thence 154.94 feet; thence by a curve of 325.31 feet radius bearing to the left 45.04 feet; thence by the easterly line of Farm Street, 206 feet to a stone bound in front of Town Infirmary; thence N32°E 160.0 feet to the point of beginning.—Board of Public Welfare.

Voted: That the Town vote to set apart for Welfare purposes only, a parcel of land at the Town Infirmary as described in Article 38, in place of land set apart for Welfare purposes by vote of the adjourned town meeting of March 15, 1933.

ARTICLE 39

To hear and act upon a report of the Committee appointed under Article 6 of the Warrant for the Special Town Meeting of November 17, 1941, pertaining to the street numbering system of the Town.—Edward M. Bridge, Chairman.

Edward M. Bridge reported for the Committee and read the report, which stated that the present by-law is inadequate in a number of ways, and that the committee has drawn up a preliminary draft of a new by-law which, they believe, corrects the inadequacies of the present by-law, and which will be ready to insert in the warrant for a town meeting in the near future.

The report was signed by Edward M. Bridge, chairman; Gardner Campbell, secretary; Willard P. Lombard; Harry H. Denning; and John I. Preston.

On motion by Selectman Orrin J. Hale:

Voted: That the report be accepted as a report of progress, and the Committee be instructed to present a by-law, as recommended in the report, for action at a future town meeting.

ARTICLE 40

To see what sum the Town will appropriate from the proceeds of sales of lots in Forest Glade Cemetery now in the Town Treasury for the care, improvement and embellishment of the cemetery.—Park and Cemetery Commissioners.

On motion by Finance Committee:

Voted: That the subject matter of Article 40 be indefinitely postponed.

ARTICLE 41

To see if the Town will vote to raise and appropriate the sum of \$750.00 to be expended by Wakefield Post No. 2106, Veterans of Foreign Wars; Corp. Charles F. Parker Camp No. 39, United Spanish War Veterans; Corp.

Harry E. Nelson Post No. 63, American Legion; H. M. Warren Post No. 12, G. A. R.; for the proper observance of Memorial Day, May 30, 1942.—F. L. Champagne and others.

On motion by Finance Committee:

Voted: That the Town raise and appropriate the sum of \$750 to carry out the purposes of Article 41.

ARTICLE 42

To see if the Town will vote to raise and appropriate the sum of \$50.00 to be expended by Corp. Harry E. Nelson Post No. 63, American Legion, for the proper observance of Armistice Day, November 11, 1942.—Harold A. McMann and others.

On motion by Finance Committee:

Voted: That the Town raise and appropriate the sum of \$50 to carry out the purposes of Article 42.

ARTICLE 43

To see if the Town will raise and appropriate the sum of \$500.00 for nursing, the same to be expended under the direction of the Selectmen, as salary to the nurse employed by the Wakefield Visiting Nurse Association, in aid of its nursing work among the people of Wakefield.—Olga C. White and others.

On motion by Finance Committee:

Voted: That the Town raise and appropriate the sum of \$500.00 to carry out the purposes of Article 43.

ARTICLE 44

To see if the Town will vote to authorize the Park and Cemetery Commissioners to lease to the Quannapowitt Yacht Club, Inc., a portion of land on the shores of Lake Quannapowitt at Church Street Cove for the purpose of said Club to build club and boathouse for use of said Club. Price and length of lease to be agreed to by Park and Cemetery Commissioners and Board of Trustees of Quannapowitt Yacht Club, Inc.—Herbert Kelloway and others.

On motion by Finance Committee:

Voted: That the subject matter of Article 44 be indefinitely postponed.

ARTICLE 45

To see if the Town will vote to amend the Town By-Laws by striking out Section 2, Chapter 3 and inserting in place therefor the following:

“The duties of the Finance Committee shall include consideration of any and all municipal questions for the purpose of making reports and recommendations to the Town and consideration of the Articles in the warrant for town meetings and it shall report at each town meeting estimates and recommendations with reasons therefor for the action of the

Town and all town officers and committees shall upon the request of the Finance Committee furnish it with facts, figures and any other information it may request pertaining to their several departments.”—Howard A. Jones and others.

On motion by Finance Committee:

Voted: That the Town By-Laws are hereby amended by striking out Section 2, Chapter 3, and inserting in place therefor the following:

“The duties of the Finance Committee shall include consideration of any and all municipal questions for the purpose of making reports and recommendations to the town and consideration of the articles in the warrant for town meetings, and it shall report at each town meeting estimates and recommendations with reasons therefor for the action of the town; and all town officers and committees shall, upon the request of the Finance Committee, furnish it with facts, figures, and any other information it may request pertaining to their several departments.”

ARTICLE 46

To see if the Town will vote to amend its Zoning By-Laws so that Section 3A entitled “General Residence Districts” be amended to read as follows:

In a general residence district (a) No building or premises shall be erected, altered, or used for any other purpose than

1, Any use permitted in a general residence district; 2, dwelling; 3, club, social or recreational use, except one the chief activity of which is a service customarily carried on as a business; 4, funeral home; 5, physicians’ and doctors’ offices; 6, accessory use customarily incident to any of the above uses and not detrimental to a residential neighborhood.—John H. Holleran and others.

Edward M. Bridge, chairman of the Planning Board, described the purpose of the amendment, stating it to be to allow physicians’ and doctors’ offices in general residence districts.

Mr. Bridge called the attention of the meeting to what he termed a “typographical error” in Article 46 of the Warrant, which read “any use permitted in a ‘general’ residence” district. He said he had been advised by the town counsel that it would be legal for the meeting to adopt the amendment using the words “single residence” as intended. Therefore, in behalf of the Planning Board, he recommended the adoption of the amendment.

Mr. Bridge stated that a hearing on the subject matter of Article 46 was held on February 27, 1942 and had been advertised in the Wakefield Daily Item on January 27, 1942.

On motion by Edward M. Bridge:

Voted Unanimously: That Section 3A of the Zoning By-Laws of the Town of Wakefield, is hereby amended to read as follows:

In a general residence district (a) No building or premises shall be erected, altered, or used for any other purpose than

1, Any use permitted in a single residence district; 2, dwelling; 3, club, social or recreational use, except one the chief activity of which is a service customarily carried on as a business; 4, funeral home; 5, physicians' and doctors' offices; 6, accessory use customarily incident to any of the above uses and not detrimental to a residential neighborhood.

ARTICLE 47

To see if the Town will vote to amend the Zoning By-Law by striking out Section 5 (a) as previously enacted and adding after Section 5 a new Section 5 (a), in the following form:

Section 5a. Area and Frontage Regulation:

Subject to the provisions hereinafter contained in this Section there shall be provided for each dwelling house, club or other building permitted by this By-Law, constructed after the adoption of this Section, in single residence districts, a lot containing not less than 8,000 square feet with a frontage of not less than 80 feet on any street or private way, and in general residence districts a lot containing not less than 6,000 square feet with a frontage of not less than 60 feet on any street or private way. After the adoption of this Section no dwelling house, club house, or other permitted building shall be erected or placed on a lot containing less than the areas or having less frontage than that herein prescribed. However, nothing contained in this section shall prevent the construction or placing of any building on any lot in either of said districts containing a smaller area or less frontage, provided such lot on the effective date hereof does not adjoin other land of the same owner available for use in connection with said lot.

No lot on which a dwelling house, club house or other permitted building is situated, whether heretofore or hereafter placed shall be reduced in area, if such lot is smaller than is hereby prescribed, or if by such reduction, it would be made smaller than is hereby prescribed, except in either case by taking by eminent domain or by a conveyance for a public purpose.

The Board of Appeals may make special exceptions to the provisions of this section, either upon appeal or upon the written request of the owner of a parcel of land by authorizing the Building Inspector to grant a permit for the erection or placing of a dwelling house or other permitted building upon any lot containing less area than is hereby prescribed, subject to such limitations of time and other conditions as it may impose when after a public hearing it shall find that —

(1) adjoining areas have previously been generally developed by the constructions of houses on lots generally smaller than is prescribed by this section and the standard of the neighborhood so established does not reasonably require a subdivision of the applicant's land into lots as large as is hereby prescribed; or

(2) lots as large as is hereby prescribed would not be readily salable or economically or advantageously used for building purposes because of the proximity of the land to through ways bearing heavy traffic or to a railroad or because of other physical conditions or characteristics affecting it but not affecting generally the zoning district in which the land lies.

The Planning Board, on request of the Board of Appeals shall, and when it deems it advisable may, without such a request, make a report to the Board of Appeals with recommendations on the question of granting any application for special exceptions hereunder.

Nothing contained in this section shall be construed to alter the requirements of the other sections of this By-Law.—Planning Board, Charles W. Morrill, Secretary.

Chairman Edward M. Bridge of the Planning Board stated that a hearing on Article 47 was held by his board on February 27, 1942, and that the hearing was advertised in the Wakefield Daily Item on January 27, 1942, and that the Planning Board recommended the adoption of the amendment.

On motion by Edward M. Bridge:

Voted Unanimously: That the Zoning By-Laws of the Town of Wakefield are hereby amended by striking out Section 5 (a) and adding after Section 5 a new Section 5 (a), as described in Article 47.

ARTICLE 48

To see if the Town will vote to amend the Zoning By-Law by striking out clause (d) of Section 6 of said By-Law as amended and substituting therefor the following new clause (d):

(d) The removal of loam, sand, stone or gravel from land in Single or General Residence Districts for sale, for building purposes, for improvement of other land, or for any commercial purpose, other than in connection with the erection of a building upon the parcel of land from which such material is removed, shall be deemed a non-conforming use. Such use shall be permitted, as a variance, only under and by virtue of a special permit issued by the Board of Appeals. No such permit shall be granted by the Board of Appeals which, in its judgment, would adversely affect the health, safety, convenience and welfare of the neighborhood and/or of the Town. Said Board may grant such permits under such conditions as it may deem necessary for the protection of the health, safety, convenience and welfare of the neighborhood and/or of the Town.—Planning Board, Charles W. Morrill, Secretary.

Edward M. Bridge, chairman of the Planning Board, stated that a hearing on the subject matter of Article 48 was held on February 27, 1942, and that the hearing was advertised in the Wakefield Daily Item on January 27, 1942, and that the Planning Board recommended the adoption of the amendment.

On motion by Edward M. Bridge:

Voted Unanimously: That the Zoning By-Laws of the Town of Wakefield are hereby amended by striking out clause (d) of Section 6 and substituting therefor a new clause (d) as described in Article 48.

ARTICLE 49

To see if the Town will vote to amend the Zoning By-Law by striking out Section 10 and substituting therefor the following Section 10.

Section 10 Amendments

Amendments to be made in accordance with the Statutes.

Amendments to this By-Law may be made from time to time in the manner provided in the Statutes of the Commonwealth of Massachusetts then in force and applicable.—Planning Board, Charles W. Morrill, Secretary.

Chairman Edward M. Bridge of the Planning Board stated that a hearing on the subject matter of Article 49 was held on February 27, 1942 and that the hearing was advertised in the Wakefield Daily Item on January 27, 1942, and that the Planning Board recommended the adoption of the amendment.

On motion by Edward M. Bridge:

Voted Unanimously: That the Zoning By-Laws of the Town of Wakefield are hereby amended by striking out Section 10 and substituting therefor a new section 10, as described in Article 49.

ARTICLE 50

To see if the Town will vote to return to the Town Treasury the sum of \$30,000.00, being part of the balance of the Operating Fund of the Municipal Light Department as of December 31, 1941, and to authorize the Assessors to use the same in computing the tax rate for 1942; also to see if the Town will authorize the Municipal Light Department to transfer the sum of \$8,184.70 from its Operating Fund to a Reserve Fund to be used for the purpose of purchasing equipment, labor, materials and supplies that may be needed for the defense and protection of the Municipal Light Department, this latter sum being the remainder of the balance of its Operating Fund as of December 31, 1941.—Municipal Light Commissioners.

On motion by Finance Committee:

Voted: That the sum of \$30,000, being part of the balance of the Operating Fund of the Municipal Light Department as of December 31, 1941, be returned to the Town Treasury, and the Assessors be hereby authorized to use the same in computing the tax rate for 1942, and authorize the Municipal Light Department to transfer from its Operating Fund, \$8,184.70 to a Reserve Fund to be used for the purpose of purchasing equipment, labor, materials and supplies that may be needed for the de-

fense and protection of the Municipal Light Department, this latter sum being the remainder of the balance in its Operating Fund as of December 31, 1941.

On motion by Harry Marshall:

Voted: That Article 1 be taken from the table.

ARTICLE 1

On motion by Harry Marshall:

Voted: That the report of Town officers, as published, be accepted.

ARTICLE 51

To see if the Town will vote to authorize the Board of Assessors to use such free cash as may be in the Treasury or any part thereof, in computing the tax rate for the current year.—Charles C. Cox, Town Accountant.

On motion by Finance Committee:

Voted: That the Board of Assessors be authorized to use the sum of \$30,000 Free Cash, now in the Treasury, in computing the tax rate for 1942.

On motion by Charles C. Cox:

Voted: That this annual meeting be now dissolved:

Meeting dissolved at 10.03 P. M.

Attendance 180.

SPECIAL TOWN MEETING—MARCH 16, 1942

The special Town Meeting, called for March 9, 1942 and which was recessed until the articles of the Annual Meeting (which was held on the same date) were disposed of, was called to order by Moderator Thomas G. O'Connell at 10.04 P. M., the amendment of Selectman Robert H. Adams, that \$20,000 be invested in Government Defense Bonds instead of \$10,000 as provided by motion by the Finance Committee, being in order.

The vote on the amendment was in the negative.

The original motion—that of the Finance Committee to invest \$10,000 in Government Defense Bonds—was then voted in the affirmative.

Frank P. Wakefield asked unanimous consent to present a motion that the Finance Committee be extended the thanks of the Town for their efficient service.

There being no objection, Theodore Eaton offered an amendment that it be a rising vote, and it was so voted.

On motion by Harry Marshall:

Voted: That this meeting be now dissolved.

Meeting dissolved at 10.15 P. M.

Attendance 180.

COMMITTEE APPOINTMENT

April 7, 1942

The Moderator appointed the following committee under Article 1 of the Special Town Meeting of March 9, 1942:

Robert H. Adams, Patrick Tenney, Marcus Beebe, William C. Dill, Edward M. Bridge, William B. Stantial, John T. Stringer, Harry Marshall, Maurice F. Walsh, Gardner E. Campbell, Warren E. Phinney, William T. Curley, William Blanchard, Herman G. Dresser, and Peter Myhre.

FINANCE COMMITTEE APPOINTMENTS

April 7, 1942

The Moderator announced the appointment of five members of the Finance Committee, as follows:

Harry Marshall, Frank E. McIntire, Frederick W. Bliss, V. Richard Fazio, and Joseph M. Curley.

March 30, 1942

Approval of the nomination of George A. Bennett for the office of Inspector of Animals by the Department of Agriculture, received by the Board of Selectmen.

April 14, 1942

George A. Bennett appointed Inspector of Animals by the Board of Selectmen.

April 21, 1942

George A. Bennett given the oath of office as Inspector of Animals.

SPECIAL TOWN MEETING—APRIL 27, 1942

Meeting called to order at 7.40 P. M. by Moderator Thomas G. O'Connell, who read the call for the meeting.

On motion by Harry Marshall:

Voted: That further reading of the warrant, with the exception of the constable's return, be dispensed with.

Constable's return read.

ARTICLE 1

To see if the Town will authorize the Water and Sewerage Board to construct a sewer in the following locations: Commencing at the end of the existing sewer on Broadway station 8+35 thence westerly approximately

280 feet, and raise and appropriate a sufficient sum of money therefor or authorize the Treasurer, with the approval of the Selectmen to borrow or issue notes or bonds therefor.—Board of Health.

On motion by Finance Committee:

Voted: That the subject matter of Article 1 be indefinitely postponed.

ARTICLE 2

To see if the Town will authorize the Water and Sewerage Board to construct a sewer in the following locations: Beginning at a manhole in Broadway station 10+05 thence southeasterly in a private way approximately 315 feet, thence westerly across land of John C. Doyle to the center line of Doyle Avenue, so called, a private way approximately 300 feet, also in Doyle Avenue approximately 450 feet, and raise and appropriate a sufficient sum of money therefor or authorize the Treasurer with the approval of the Selectmen to borrow or issue notes or bonds therefor; and authorize the Water and Sewerage Board of the Town of Wakefield to take by eminent domain under authority of Chapter 377 Acts of 1900 and any other authority thereto enabling them or by purchase, an easement in the whole of the private ways as shown on a plan by Harry H. Denning entitled "Plan showing lots in Westwood Park, Albion Street, Wakefield, Mass." owned by Charles Doyle, March 1941, and approved by the Board of Survey, Town of Wakefield, and on file in the Town Clerk's Office.—Board of Health.

On motion by Finance Committee:

Voted: That the subject matter of Article 2 be indefinitely postponed.

ARTICLE 3

To see if the Town will authorize the Water and Sewerage Board to construct a sewer in the following locations: Commencing at a manhole in Wakefield Avenue station 2+28 thence in Jefferson Road a private way westerly 190 feet to an angle, thence southwesterly approximately 720 feet and raise and appropriate a sufficient sum of money therefor or authorize the Treasurer with the approval of the Selectmen, to borrow or issue notes or bonds therefor; and authorize the Water and Sewerage Board of the Town of Wakefield to take by eminent domain under authority of Chapter 377 Acts of 1900 and any other authority thereto enabling them or by purchase, an easement in the whole of the private way as shown on a plan by Gilbert-Varker Corp. Engineers, 31 St. James Avenue, Boston, entitled "Plot Plan Layout of Victory Village, Wakefield, Mass., April, 1942" and on file in the Town Clerk's Office.—Board of Health.

On motion by Finance Committee:

Voted: That the subject matter of Article 3 be indefinitely postponed.

ARTICLE 4

To see if the Town will authorize the Water and Sewerage Board to construct a sewer in the following location: Commencing at a manhole in Jefferson Road station 4+30 thence westerly in Hamilton Road a private way approximately 500 feet and raise and appropriate a sufficient sum of money therefor or authorize the Treasurer with the approval of the Selectmen to borrow or issue notes or bonds therefor; and authorize the Water and Sewerage Board of the Town of Wakefield to take by eminent domain under authority of Chapter 377 Acts of 1900 and any other authority thereto enabling them or by purchase, an easement in the whole of the private way as shown on a plan by Gilbert-Varker Corp. Engineers, 31 St. James Avenue, Boston, Mass., entitled "Plot Plan Layout of Victory Village, Wakefield, Mass., April, 1942" and on file in the Town Clerk's Office.—Board of Health.

On motion by Finance Committee:

Voted: That the subject matter of Article 4 be indefinitely postponed.

ARTICLE 5

To see if the Town will authorize the Water and Sewerage Board to construct a sewer in Stedman Street from the existing sewer northerly approximately 100 feet, and raise and appropriate a sufficient sum of money therefor or authorize the Treasurer with the approval of the Selectmen to borrow or issue bonds or notes therefor.—Board of Health.

On motion by Finance Committee:

Voted: That the Town authorize the Water and Sewerage Board to construct a sewer, as described in Article 5, and raise and appropriate the sum of \$550.00 therefor.

On motion by Harry Marshall:

Voted: To take up Article 7 in conjunction with Article 6.

ARTICLES 6 AND 7

Art. 6. To see if the Town will authorize the Water and Sewerage Board to purchase on behalf of the Town a certain parcel of land containing approximately 25.65 acres, situated on the southerly side of Bay State Road, bounded and described as follows: Beginning at the northeasterly corner at a point in the southerly side of Bay State Road at the Wakefield-Lynnfield Town Line, the line runs westerly by Bay State Road 641.5 feet, then southerly 515 feet, more or less, by land of John Carlson, thence southeasterly 265 feet, more or less, by land of owners unknown, thence southwesterly 495 feet, more or less, by land of owners unknown; thence northwesterly 258 feet, more or less, by land of owners unknown, to a ditch; thence westerly by Quannapowitt Avenue 226 feet, more or less; thence southerly by a ditch 836 feet, more or less, to the Saugus River and by land of Bernard J. Norton and William A. Gilchrist and Alexander V. Phillips, thence easterly and southeasterly by various courses by the Saugus River 1655 feet, more or less, to an iron bolt in a rock which is the

Wakefield-Lynnfield Town Line; thence by two courses northwesterly by the Wakefield-Lynnfield Town Line to the point of beginning. Subject to the right of way for drainage systems of the Town of Reading in accordance with Chapter 458 Acts of 1939 as amended and Chapter 79 of the General Laws and raise and appropriate a sufficient sum of money therefor, or authorize the Treasurer with the approval of the Selectmen to borrow or issue notes or bonds therefor.—Water and Sewerage Board.

Art. 7. To see if the Town will authorize the Water and Sewerage Board to construct a well, or wells, erect and equip a pumping station on land described in the previous article together with the necessary mains, gates and hydrants to connect the above mentioned pumping station with the existing water system of the Town and raise and appropriate a sufficient sum of money therefor, or authorize the Treasurer with the approval of the Selectmen to borrow or issue notes or bonds therefor.—Water and Sewerage Board.

On motion by Harry Marshall, chairman of the Finance Committee:

That the Town vote to authorize the Water and Sewerage Board to purchase on behalf of the Town a certain parcel of land containing approximately 25.65 acres, situated on the southerly side of Bay State Road, bounded and described as follows: Beginning at the northeasterly corner at a point in the southerly side of Bay State Road at the Wakefield-Lynnfield Town Line, the line runs westerly by Bay State Road 641.5 feet, then southerly 515 feet, more or less, by land of John Carlson, thence southeasterly 265 feet, more or less, by land of owners unknown, thence southwesterly 495 feet, more or less, by land of owners unknown; thence northwesterly 258 feet, more or less, by land of owners unknown, to a ditch; thence westerly by Quannapowitt Avenue 226 feet, more or less; thence southerly by a ditch 836 feet, more or less, to the Saugus River and by land of Bernard J. Norton and William A. Gilchrist and Alexander V. Phillips, thence easterly and southeasterly by various courses by the Saugus River 1655 feet, more or less, to an iron bolt in a rock which is the Wakefield-Lynnfield Town Line; thence by two courses northwesterly by the Wakefield-Lynnfield Town Line to the point of beginning. Subject to the right of way for drainage systems of the Town of Reading in accordance with Chapter 458 Acts of 1939 as amended and Chapter 79 of the General Laws at a price not exceeding \$5,500.00; and authorize the Water and Sewerage Board to construct a well or wells, erect a pumping station on the above described land, together with necessary mains, gates, and hydrants to connect the above mentioned pumping station with the existing water system of the town; and appropriate the sum of \$45,000.00, to be raised by issuing bonds of the town, which the Treasurer, with the approval of the Selectmen, is hereby authorized to issue and sell, said bonds to be payable in annual payments of \$5,000.00 each year for eight years, \$3,000.00 in the ninth year, and \$2,000.00 in the tenth year.

The Moderator announced that a two-third's vote in the affirmative would be necessary to carry the motion inasmuch as it contained provisions for a bond issue.

The Moderator appointed the following tellers to count the vote:

Gardner Campbell and Frederick G. Gorman for the south section, Maurice F. Walsh and Fitzroy Willard in the center, and Joseph W. MacInnis and Cyrus M. Dolbeare for the north section.

RESULT OF THE VOTE: 62 persons voted in the affirmative, and 7 persons voted in the negative.

The Moderator then declared that, two thirds vote having been received in the affirmative, the motion was carried.

ARTICLE 8

To see if the Town will authorize the Water and Sewerage Board to lay water mains in the following streets: Robert Street approximately 950 feet; also in a new street running southerly from Albion Street known as Doyle Avenue approximately 350 feet; and in Jefferson Road and Hamilton Road in Victory Village, so called, located north of Richardson Street, approximately 1570 feet and any other work of like nature, and appropriate a sufficient sum of money therefor and authorize the Treasurer with the approval of the Selectmen to borrow such money and issue notes or bonds of the Town therefor.—Water and Sewerage Board.

On motion by Harry Marshall, chairman of the Finance Committee:

Voted Unanimously: That the Town authorize the Water and Sewerage Board to lay water mains in the following streets: Robert Street, approximately 950 feet; in a new street running southerly from Albion Street, known as Doyle Avenue, approximately 350 feet; and in Jefferson Road and Hamilton Road, in Victory Village, so-called, located north of Richardson Street, approximately 1570 feet, and other extensions in new developments of similar kind; and appropriate \$5,000.00 therefor and authorize the Treasurer, with the approval of the Selectmen, to borrow and issue notes or bonds therefor payable \$1,000.00 each year for five years.

ARTICLE 9

To see if the Town will appropriate the sum of \$150.00 for salaries of clerks in Water Department and provide the necessary funds through transfer from balance of appropriation for Water Maintenance, other expenses, for the year 1942.—Water and Sewerage Board.

On motion by Harry Marshall for the Finance Committee:

Voted: That the Town vote to appropriate the sum of \$125.00 for salaries of clerks in the Water Department and provide necessary funds through transfer from the balance of the appropriation for Water Maintenance, other expenses for the year 1942.

ARTICLE 10

To see if the Town will raise and appropriate a sum of money to resurface Main Street between Water Street and Albion Street and transfer available balances in appropriations by the Annual Town Meeting of

1941 under Article 14 and Article 16 to be used in conjunction therewith or separately for the same purpose.—Board of Selectmen.

On motion by Harry Marshall for the Finance Committee:

Voted: That the Town vote to appropriate the sum of \$922.82 for resurfacing Main Street between Water Street and Albion Street, said sum to be used for materials only, for purposes called for in the article, and provide necessary funds through transfer from available balances in appropriations of the annual town meeting of 1941 as follows:

Article 14—Main Street Resurfacing	\$565.19
Article 16—Chestnut Street Rebuilding	357.63

ARTICLE 11

To see if the Town will appropriate a sufficient sum of money for salary of Assistant Superintendent of the Highway Department, which taken together with the amount already appropriated will allow for payment of said salary at the rate of \$2,400.00 per year, effective as of March 9, 1942; and provide necessary funds through transfer from balance of the appropriation for Highway Department Other Expense for the year 1942.—Board of Selectmen.

On motion by Harry Marshall for the Finance Committee:

Voted: That the Town appropriate the sum of \$157.80 for salary of Assistant Superintendent of the Highway Department, to allow for payment of said salary at the rate of \$2,400.00 per year, effective as of March 9, 1942; and provide necessary funds through transfer from the balance of the appropriation for Highway Department Other Expense for the year 1942.

ARTICLE 12

To see if the Town will vote to raise and appropriate the sum of \$459.00 for clerk hire in the office of the Town Clerk in order that there may be one full-time assistant to care for the additional duties in that office caused by the war and defense activities.—Charles F. Young, Town Clerk.

Motion by Harry Marshall for the Finance Committee:

That the subject matter of Article 12 be indefinitely postponed.

The vote on the motion, as counted by the tellers, was: 37 in the affirmative, and 42 in the negative, and the Moderator declared the motion not carried.

On motion by Charles F. Young:

Voted: That the Town raise and appropriate the sum of \$459.00 to carry out the purposes of Article 12.

The vote on the motion, as counted by the tellers, was 46 in the affirmative, and 40 in the negative, and the Moderator declared the motion carried.

ARTICLE 13

To see if the Town will vote to raise and appropriate the sum of \$175.00 for clerk hire in the office of the Board of Registrars.—Board of Registrars.
Motion by Harry Marshall for the Finance Committee:

That the Town raise and appropriate the sum of \$125.00 for clerk hire for Election and Registration account.

Amendment by Frederick G. Gorman: To strike out the sum of \$125.00 and insert in the place thereof the sum of \$175.00, as called for in the article.

Amendment voted in the affirmative.

Original motion, as amended, voted in the affirmative.

ARTICLE 14

To see if the Town will vote to raise and appropriate the sum of \$125.00 to defray the expense of cards and typing for an alphabetical index of male and female residents of the Town of Wakefield who are twenty years of age or over, as provided for in Chapter 51, Section 4, of the General Laws, Ter. Ed.—Board of Registrars.

On motion by Harry Marshall for the Finance Committee:

Voted: That the subject matter of Article 14 be indefinitely postponed.

ARTICLE 15

To see if the Town will vote to amend its Building By-Laws by adding to Article 9 thereof the following new section, to be known as Section 18: On all new construction of dwelling houses, cellar ceiling shall be strapped, lathed, and cement-plastered.—Joseph W. MacInnis, Building Inspector.

On motion by Frank P. Wakefield:

Voted: That the subject matter of Article 15 be indefinitely postponed.

ARTICLE 16

To see if the Town will vote to repeal Chapter 10 of the By-Laws of the Town of Wakefield and substitute the following by-law therefor, to be known as Chapter 10.

HOUSE NUMBERING BY-LAW FOR THE TOWN OF WAKEFIELD

Chapter 10

Sec. 1: In all territory of the Town there shall be allowed one number to every fifty feet along the line of each side of the street, with the exception of the following territory, where there shall be one number to every twenty feet along the line of each side of the street.

Sec. 2:

1. Main Street, easterly side, from center line of Park Street south to center line of Summer Street.

2. Main Street, westerly side, from center line of Lafayette Street to point opposite the center line of Summer Street.

3. Main Street, Greenwood, from center line of Walton Place to Melrose line.

4. Main Street numbering shall begin at the northerly end at the Reading line and continue to the southerly end at the Melrose line, odd numbers to be on the right, west side, even numbers on left, east side.

5. Albion Street, from Main Street westerly: One number to every twenty feet to a point 350 feet northeast of the center line of Cedar Street; thence one number to every fifty feet westerly to Stoneham line.

6. Water Street, easterly from Main Street: One number to every twenty feet from Main Street to a line at right angle to Water Street 100 feet easterly from the easterly side of Newhall Court; one number every fifty feet thence to the Saugus line.

7. North Avenue, from Main Street northerly: One number every twenty feet from Main Street to center line of Church Street; thence one number every fifty feet from center line of Church Street to the Reading line.

8. Broadway, from North Avenue to line at right angle 100 feet east of Lake Street; thence one number every fifty feet to Albion Street.

9. Lake Street, from Albion to center line of Ballister Street; thence one number every fifty feet to Broadway.

10. The following streets shall be assigned one number for every twenty feet for their entire length, numbers to begin at the end nearest Main Street, or nearest the principal traveled way from which they originate: Center Street, Mechanic Street, Lincoln Street, Smith Street, Richardson Avenue, West Water Street, Armory Street, Foster Street, Foundry Street, Maple Street.

Sec. 3: On all other streets running north or south (with the exception of the streets on which numbering has been established) numbering shall begin at the end nearer the Town Hall, odd numbers to be on the right, even numbers on the left, and all minor lateral streets shall be numbered from one up starting from the main traveled way from which they originate, odd numbers to be on the right, even numbers on the left.

Sec. 4: Streets originating from Main Street shall be numbered from one up, easterly or westerly, from point of origin, odd numbers to be on right, even numbers on left.

Sec. 5: Streets lying west of Main Street, but not originating therefrom, shall be numbered from the end nearer the Town Hall, and all streets hereafter numbered or constructed as lateral streets therefrom shall be numbered from one up, odd numbers on right, even numbers on left.

Sec. 6: All streets lying east of Main Street, but not originating therefrom, shall be numbered from one up from the end nearer the Town Hall, and all streets hereafter numbered or constructed as lateral streets therefrom shall be numbered from one up, odd numbers on right, even numbers on left.

Sec. 7: In all cases, odd numbers shall be on the right and even numbers on the left from point of origin, except in such cases where established streets as of the year 1942 already are numbered in conflict with this rule. In such cases, assignment of numbers in isolated cases shall conform to the system existing as of January 1, 1942, and continue until such time as conditions shall, in the judgment of the Board of Selectmen, warrant a general re-numbering of such streets.

Sec. 8: In calculating frontages for numbering, there shall be included the width of abutting or intersecting streets, and all intervening parks or public property.

Sec. 9: Where these rules obviously are inappropriate because of existing conditions, the Selectmen shall be guided by a general policy of having a number begin at the end of the street nearer the center of the town, or nearer the principal traveled way, and in all cases the Board of Selectmen shall have the power to exercise discretion, and their decision shall be final.

Sec. 10: Upon being notified in writing by the Board of Selectmen of the assignment of a house number, the owner of the property shall affix a number within 30 days of date of said notice. Said number shall be affixed to the frame of the main entrance, on the lock side, and shall be not less than four nor more than five feet above the door sill. In cases where the set-back of a house or other building is fifty or more feet from the main traveled way, a number shall be affixed to a post or other visible and substantial support, at the entrance to the property.

Sec. 11: It shall be the duty of the Highway Superintendent, or such other person the Selectmen shall designate, to prepare and from time to time correct a series of maps including all public streets and private ways whereon are indicated all buildings fronting on them with the distances and numbers as set forth in the above rules clearly marked. One duplicate copy of these maps is to be kept in the vault in the Town Hall.

Sec. 12: Within 30 days from the date on which this by-law legally takes effect, all owners of residential or business property who have not already done so shall provide house numbers in accordance with the foregoing regulations, after being duly notified by the Selectmen or their agent, and failure to comply shall incur the penalty provided under Chapter 12.—Committee on House Numbering.

On motion by Gardner Campbell:

Voted Unanimously: That further reading of the by-law be dispensed with, and the Town vote to repeal Chapter 10 of the by-laws of the Town of Wakefield, and substitute the following therefor, to be known as Chapter 10:

HOUSE NUMBERING BY-LAW FOR THE TOWN OF WAKEFIELD Chapter 10

Sec. 1: In all territory of the Town there shall be allowed one number to every fifty feet along the line of each side of the street, with the excep-

tion of the following territory, where there shall be one number to every twenty feet along the line of each side of the street.

Sec. 2:

1. Main Street, easterly side, from center line of Park Street south to center line of Summer Street.

2. Main Street, westerly side, from center line of Lafayette Street to point opposite the center line of Summer Street.

3. Main Street, Greenwood, from center line of Walton Place to Melrose line.

4. Main Street numbering shall begin at the northerly end at the Reading line and continue to the southerly end at the Melrose line, odd numbers to be on the right, west side, even numbers on left, east side.

5. Albion Street, from Main Street westerly: One number to every twenty feet to a point 350 feet northeast of the center line of Cedar Street; thence one number to every fifty feet westerly to Stoneham line.

6. Water Street, easterly from Main Street: One number to every twenty feet from Main Street to a line at right angle to Water Street 100 feet easterly from the easterly side of Newhall Court; one number every fifty feet thence to the Saugus line.

7. North Avenue, from Main Street northerly: One number every twenty feet from Main Street to center line of Church Street; thence one number every fifty feet from center line of Church Street to the Reading line.

8. Broadway, from North Avenue to line at right angle 100 feet east of Lake Street: thence one number every fifty feet to Albion Street.

9. Lake Street, from Albion to center line of Ballister Street; thence one number every fifty feet to Broadway.

10. The following streets shall be assigned one number for every twenty feet for their entire length, numbers to begin at the end nearest Main Street, or nearest the principal traveled way from which they originate: Center Street, Mechanic Street, Lincoln Street, Smith Street, Richardson Avenue, West Water Street, Armory Street, Foster Street, Foundry Street, Maple Street.

Sec. 3: On all other streets running north or south (with the exception of the streets on which numbering has been established) numbering shall begin at the end nearer the Town Hall, odd numbers to be on the right, even numbers on the left, and all minor lateral streets shall be numbered from one up starting from the main traveled way from which they originate, odd numbers to be on the right, even numbers on the left.

Sec. 4: Streets originating from Main Street shall be numbered from one up, easterly or westerly, from point of origin, odd numbers to be on right, even numbers on left.

Sec. 5: Streets lying west of Main Street, but not originating therefrom, shall be numbered from the end nearer the Town Hall, and all streets hereafter numbered or constructed as lateral streets therefrom shall be numbered from one up, odd numbers on right, even numbers on left.

Sec. 6: All streets lying east of Main Street, but not originating therefrom, shall be numbered from one up from the end nearer the Town Hall, and all streets hereafter numbered or constructed as lateral streets therefrom shall be numbered from one up, odd numbers on right, even numbers on left.

Sec. 7: In all cases, odd numbers shall be on the right and even numbers on the left from point of origin, except in such cases where established streets as of the year 1942 already are numbered in conflict with this rule. In such cases, assignment of numbers in isolated cases shall conform to the system existing as of January 1, 1942, and continue until such time as conditions shall, in the judgment of the Board of Selectmen, warrant a general re-numbering of such streets.

Sec. 8: In calculating frontages for numbering, there shall be included the width of abutting or intersecting streets, and all intervening parks or public property.

Sec. 9: Where these rules obviously are inappropriate because of existing conditions, the Selectmen shall be guided by a general policy of having a number begin at the end of the street nearer the center of the town, or nearer the principal traveled way, and in all cases the Board of Selectmen shall have the power to exercise discretion, and their decision shall be final.

Sec. 10: Upon being notified in writing by the Board of Selectmen of the assignment of a house number, the owner of the property shall affix a number within 30 days of date of said notice. Said number shall be affixed to the frame of the main entrance, on the lock side, and shall be not less than four nor more than five feet above the door sill. In cases where the set-back of a house or other building is fifty or more feet from the main traveled way, a number shall be affixed to a post or other visible and substantial support, at the entrance to the property.

COMMONWEALTH OF MASSACHUSETTS
COUNTY OF MIDDLESEX
CITY OF MELROSE

In accordance with the provisions of Section 125, Chapter 54 of the General Laws of Massachusetts, the City Clerk of Melrose, and the Town Clerks of Stoneham and Wakefield, being the City and Town Clerks of every city and town in Representative District number twenty-two within said County, met at the City Hall, Melrose, at noon on Friday, November 13th, A. D., 1942, being the tenth day succeeding the day of the State Election held on Tuesday, November 3rd A. D. 1942 and then and there opened, examined and compared the copies of the records of votes cast at said election for the office of representative, and determined therefrom that George J. Evans of Wakefield and Charles Gibbons of Stoneham and Joseph A. Milano of Melrose were elected to the office of Representative.

The following is a schedule of all persons for whom votes for Representative were given in said District and the number of votes given for each person, viz:

George Barner of Melrose	
Two	(2)
Fred V. P. Elliott of Wakefield (D)	
Five thousand six hundred seven	(5607)
George J. Evans of Wakefield (R)	
Fifteen thousand one hundred forty-four	(15144)
Charles Gibbons of Stoneham (R)	
Thirteen thousand six hundred fifty-one	(13651)
Mary Kelly of Stoneham	
One	(1)
Joseph A. Milano of Melrose (R)	
Thirteen thousand seven hundred seventy-six	(13776)

In witness whereof, we the City Clerk of Melrose and the Town Clerk of Stoneham and the Town Clerk of Wakefield hereunto set our hands this 13th day of November, A. D. 1942.

RAYMOND H. GREENLAW,
City Clerk of Melrose
WINTHROP A. MCCARTHY,
Town Clerk of Stoneham
CHARLES F. YOUNG,
Town Clerk of Wakefield

SPECIAL TOWN MEETING—DECEMBER 14, 1942

Meeting called to order at 7.32 P. M. by Moderator Thomas G. O'Connell, who read the call for the meeting.

On motion by Harry Marshall:

Voted: That further reading of the warrant, with the exception of the Constable's return, be dispensed with.

Constable's return read.

ARTICLE 1

To see if the Town will authorize the Municipal Light Board to dispose of its unused gas holder on North ave.—Municipal Light Board.

On motion by Harry Marshall for the Finance Committee:

Voted: That the Town authorize the Municipal Light Board to dispose of its unused gas holder on North Avenue.

ARTICLE 2

To see if the Town will vote to authorize the School Committee to sell to the United States Government or any agency thereof, any typewriters now in the possession of said department.—School Committee.

On motion by Finance Committee:

Voted: That the Town authorize the School Committee to sell to the United States Government, or any agency thereof, typewriters now in possession of the School Department, not exceeding ten in number.

ARTICLE 3

To see if the Town will vote to lease a certain parcel of land from the Boston and Maine Railroad for a period of one year, with the right of renewal from year to year for a period of ten years, for use as a public parking area at a rental not to exceed a sum equal to the taxes annually assessed upon the property, said property being described as follows: That parcel of land bounded northerly by Chestnut Street; easterly by Tuttle Street; southerly by land of the Catholic Church, and westerly by Murray Street, and authorize and empower the Board of Selectmen to execute in

the name of the Town and to deliver and receive all instruments necessary to carry out the subject matter of any vote passed hereunder.—Board of Selectmen.

On motion by Finance Committee:

Voted: That the Town lease from the Boston & Maine Railroad, for use as a public parking area, a certain parcel of land as described, and for the period as specified in Article 3; and authorize and empower the Board of Selectmen to execute in the name of the Town and to deliver and receive all instruments necessary thereto; and to appropriate the sum of \$100. for rental, to be raised in the tax levy for the year 1943.

ARTICLE 4

To see if the Town will vote to authorize the Board of Selectmen to construct a parking area on the property described in Article No. 3, said work to be done by the Highway Department, and appropriate a sufficient sum of money through transfer from the unexpended balance of the appropriation under Article 10 of the Town Meeting of April 27, 1942.—Board of Selectmen.

On motion by Finance Committee:

Voted: That the Town authorize the Board of Selectmen to construct a parking area on the property described in Article 3, said work to be done by the Highway Department; and appropriate the sum of \$922.82 through transfer from the unexpended balance of the appropriation under Article 10 of the Town Meeting of April 27, 1942.

ARTICLE 5

To see if the Town will vote to authorize the Board of Selectmen to sell to the highest bidder the trucks used by the WPA.—Board of Selectmen.

On motion by Finance Committee:

Voted: That the Town authorize the Board of Selectmen to sell trucks used by the WPA, after being publicly advertised, to the highest bidder.

The Moderator announced that he had been requested by Mrs. Alice C. Braxton to accept the following motion, which he read:

MOTION

I make the motion that a committee of three voters, disinterested and not town officers, be appointed at this Town meeting, (a) one by the Moderator, (b) two from the floor, to examine the papers in the Braxton Property Case, presented herewith, and other information pertaining to the same; make such recommendations as the facts would warrant, and submit their report to the next regular or special Town Meeting.

The Moderator stated that the meeting could not consider any matter not contained in the articles of the warrant, and, for that reason, he could not entertain the motion.

On motion by Patrick H. Tenney:

Voted: That the meeting be dissolved.

Meeting dissolved at 7.49 P. M.

Attendance 29.

Record of Births

Any errors or omissions noted in these records should be reported to the Town Clerk at once.

Sweetser Lecture Committee—Harry I. Reed, Eb V. Yeuell, Charles J. Peterson, Thomas F. Kenney, Charlotte R. Fitz, Edward A. Rich and George E. Potter.

Licenses granted by the Selectmen for the sale of alcoholic beverages for the year 1942 are listed below. Actual receipts from same, also receipts from other licenses granted during the year 1942 are shown in the Town Accountant's report.

RETAIL PACKAGE GOODS STORES, ALL KINDS OF ALCOHOLIC BEVERAGES

City Hall Liquor Store (Israel Blank) 6 Water Street.

Jeffrey's Package Store Inc., (John Jeffrey, President) 354 Main Street.

Palumbo's Annex (Ignazio Palumbo, Jr.) 37 Albion Street.

Tine's Grocery & Liquor Store, (Salvatore Tine) 38A Water Street.

Reports of the various departments under the supervision of the Board of Selectmen contain complete information. Therefore, it is unnecessary to state their accomplishments here.

The Chairman wishes to express his appreciation to the other members of the Board for their co-operation and efficient administration of Town affairs during the year.

John G. Gates resigned as Chairman of the Public Safety Committee. A. Stanley North was appointed to fill the vacancy.

It was voted to grant no more Beano licenses during the year.

Highway Superintendent Harry H. Denning was granted a leave of absence to enter the Armed Service. Robert B. MacKenna was appointed Acting Superintendent and under revised administration has given the Town economical and efficient service.

It was voted that the Highway, Water and Light Departments appoint one member each, to hold weekly meetings for the purpose of co-ordination of departmental work.

Owen A. Kenney declined reappointment as Registrar of Voters. Matthew P. Curran was appointed to succeed Mr. Kenney.

Matthew P. Curran resigned as Registrar of Voters to enlist in the Armed Service. Edmund W. Sliney was appointed to fill the vacancy.

The Board of Survey approved the plan of Victory Village for construction of 39 duplex houses.

Major Samuel H. Brooks was appointed Chairman of the Committee on War Transportation.

It was voted to establish charges for use of the ambulance in certain cases.

Police Officer Rowe was retired under the Veterans' Act for disability. John F. Mahoney was appointed a Regular Patrolman in the Police Department on September 1, 1942, to fill the vacancy.

The Rationing Board membership was increased to 12 by the O. P. A., by appointment of nine additional members recommended by the Selectmen, Public Safety Committee and Rationing Board.

Patrolman Eugene F. Hathaway and Reserve Officers Henry F. Galvin and Daniel J. Sullivan, were granted a leave of absence to enter the Armed Service. Frederick C. Hupprich, Jr. was appointed Military Substitute Patrolman for Patrolman Hathaway on October 6, 1942. Max J. Ramocki was appointed a Reserve Officer on September 22, 1942 and later was granted a leave of absence to enter the Armed Service.

The Town Line between Lynnfield and Wakefield was perambulated by the Board, with officials from the Town of Lynnfield.

Charles H. Buxton resigned as W. P. A. Agent.

It was voted that all W. P. A. projects be closed as of December 1, 1942.

John N. Heningar, Lafayette Building Janitor, was granted a leave of absence to enter the Armed Service. Loren J. Farrar was appointed to fill the vacancy.

The Board wishes to express its thanks and appreciation to the heads and members of all departments under its jurisdiction for their accomplishments during the year.

To the citizens of Wakefield, the Board expresses its appreciation of the courtesy and consideration shown by them in all problems arising during the year.

ROBERT H. ADAMS

ORRIN J. HALE

WILLIAM R. LINDSAY

L. WALLACE SWEETSER

ERNEST L. BROWN

Selectmen.

Money collected for restitution	\$118.18
Money collected for revolver permits issued	\$54.00
Money collected on ambulance cases	\$152.50
Money collected for bicycle registration plates	\$75.90

CONCLUSION

During the past year, there have been some changes in the personnel of the department owing to the retirement of one officer, and four others having entered some branch of the armed services of the United States.

These changes in the personnel are as follows:

August 11, 1942, Patrolman Edwin M. Rowe was granted retirement under the Veterans' Retirement Act, on account of poor health.

September 15, 1942, Reserve Officer John F. Mahoney was appointed a regular patrolman to fill the vacancy caused by the retirement of Patrolman Rowe.

September 22, 1942, Maximilian J. Ramocki was appointed a reserve officer to fill a vacancy.

Patrolman Eugene F. Hathaway and Reserve Officers Henry F. Galvin, Daniel J. Sullivan, and Maximilian J. Ramocki, all of whom have joined some branch of the armed services, were granted a leave of absence for the duration of the war.

October 11, 1942, Reserve Officer Charles F. Hupprich, Jr., was appointed a military substitute patrolman to fill the vacancy of Patrolman Hathaway.

In February, an Auxiliary Police School was organized with 145 citizens of the town attending and taking the various courses of the school. This school was conducted two nights a week until May, when a total of 138 completed the course and were graduated and sworn in as auxiliary police officers of this town.

Since then they have given many hours of their time both during the day and night, free of charge, in the performance of their various duties, some of which consist of enforcement of the blackout and dimout regulations and the enforcement of all the Governor's executive order.

Five sub police stations have been opened in various sections of the town, namely; at the Warren School, Montrose School and Greenwood School, also one in the basement of the Crystal Apartments and another branch at Police Headquarters.

Citizens of the various sections of the town should acquaint themselves with the location of these stations in case of trouble during blackouts, as an officer, if needed, could be obtained there much quicker than by sending to Police Headquarters.

These officers, as well as all others who have given their time to civilian defense activities, are deserving of the thanks and respect of all the citizens of the town.

I also desire to take this opportunity to thank the Honorable Board of Selectmen for their full and complete co-operation on all matters pertaining to the department during the past year.

To Mr. L. Wallace Sweetser, Committee on Police, for his individual support and co-operation at all times during the year, my sincere thanks.

To all the various town departments who have assisted and co-operated with the Police Department during the past year, and particularly to the school department, who set aside a room in each of three school houses, and to Mr. Frederick Gorman who set aside a room at the Crystal Apartments for the Auxiliary Police, and to Dr. Curtis L. Sopher, for the many things that he has done for the department during the past year, I extend my thanks, and to all other citizens and the local press who have assisted and supported the department, my sincere thanks.

I wish also to extend my sincere thanks to the Lieutenant, Sergeants, all members of the department and to the clerk, Miss Dorothy McGrail, for the faithful discharge of their duties at all times during the past year.

Respectfully submitted,

JOHN G. GATES,
Chief of Police.

Report of Chief of Fire Department

January 19, 1943.

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my Annual Report of the Fire Department for the year ending December 31, 1942, with the total number of alarms, and the losses on same as near as is possible to obtain.

APPARATUS

There are at present 8 pieces of apparatus in this department, and are as follows:

One Triple Combination purchased from the Seagrave Corporation and put in service October 27, 1938. This piece of apparatus designated as Eng. 3 is of the covered body type and represents the latest type of pumping engine. It is equipped with a 750-gallon centrifugal type pump, 100 gallon booster tank, 250 ft. of $\frac{3}{4}$ inch hose, 1250 ft. of $2\frac{1}{2}$ inch hose, ladders, smoke masks, 2 fog nozzles for combatting gasoline and oil fires, 3 shut-off type nozzles, 4 types of extinguishers, salvage covers, first aid kit, plus much other equipment necessary to bring this unit up to an efficient piece of apparatus.

One Triple Combination purchased from the Seagrave Corp. and put in service July, 1924. This piece of apparatus is equipped with a 750-gallon centrifugal type pump, 1250 ft. of $2\frac{1}{2}$ inch hose, 200 ft. of $\frac{3}{4}$ inch hose, 80 gallon booster tank, 2 types of cellar pipes, salvage covers, stretcher, smoke masks, 3 types of extinguishers, 2 fog nozzles for oil and gasoline fires, shut-off type nozzles, ladders, and much other equipment.

One Double-bank type 75 ft. aerial ladder truck purchased from the Seagrave Corp. and put in service December, 1928. This piece of apparatus carries 379 feet of ladders, 80 gallon booster tank, 300 ft. of $\frac{3}{4}$ inch hose, for booster line, booster pump, life net, salvage covers, stretcher, 2 oxygen type masks for heavy concentrations of smoke and gases, 3 cannister type masks, 1 portable Baker water gun, several types of cellar pipes, water gun mounted on aerial ladder with 3-inch hose attached, oxygen tank for resuscitation work, and other necessary equipment.

One Triple Combination of the enclosed body type put in service in December 1941, replacing the old Pierce-Arrow Squad car which had reached an unreliable state. This piece of apparatus is equipped with a booster pump, 250 ft. of $\frac{3}{4}$ inch hose for booster line, 145-gallon water tank, 1500 ft. of $1\frac{1}{2}$ inch hose, 2 types of nozzles, pump tanks for grass and brush fire use, shovels, brooms, first aid kit and other necessary equipment.

One Pierce-Arrow Combination put in service in 1927. Equipment consists of 1000 ft. of $2\frac{1}{2}$ inch hose, 200 ft. $\frac{3}{4}$ inch hose for booster line,

booster tank, booster pump, ladders, axes, extinguishers, pump tanks, deluge set, 1100-gallon water gun, first aid kit, shovels, bars, and other equipment. This machine is used mainly to replace such other pieces of hose carrying equipment as may be out of commission for repairs.

One Dodge Chief's car purchased in 1939 replacing a 1929 Buick which had outlived its usefulness. This car carries extra oxygen bottles for resuscitation work, first aid supplies, P & Q door opener and other equipment and has proved to be a valuable asset to the department's equipment.

One Triple Combination stationed at the Eng. 2 station in Greenwood and purchased from the Seagrave Corp. in 1929. This piece of apparatus is equipped with a 600-gallon centrifugal type pump, 80-gallon booster tank, 200 ft. of $\frac{3}{4}$ inch hose for booster line, 1350 ft. of $2\frac{1}{2}$ inch hose, ladders, axes, nozzles, smoke masks, cellar pipe, salvage covers and other equipment.

One Pierce-Arrow sedan type hose-carrying piece of equipment designated as Auxiliary 1 and which was put into service in 1942 to serve as an auxiliary piece for Defense purposes. This piece of equipment is carrying 1000 ft. of $1\frac{1}{2}$ inch hose, pump tanks, axes, nozzles and other smaller equipment.

During the year this department has responded to 434 alarms divided as follows: 95 Box Alarms and 339 Still Alarms.

Estimate of property endangered	\$122,042.56
Loss on same	13,572.00
Insurance on same	135,100.00
Insurance paid on same	10,526.00
Transit value	6,800.00
Transit loss	20.00

CONCLUSION

In closing this report I wish to extend my sincere thanks to the Honorable Board of Selectmen for the interest and co-operation manifested by them in all matters pertaining to this department.

To Orrin J. Hale for his hearty co-operation and interest during the past year on matters pertaining to this department as Committee on Fire Department.

To all other Town Departments who have rendered valuable assistance during the past year, you have my sincere thanks.

To the officers and members of the Fire Department, and to the members of the Auxiliary Fire Force for the prompt and faithful discharge of their duties during the past year, I extend my sincere thanks.

To Dr. Curtis L. Sopher for the hearty co-operation given by him in matters pertaining to the fire alarm system.

To Dr. John Holleran, Department Physician, my sincere thanks for the interest you have shown and the valuable aid you have given to such members of the Fire Department who were injured in the line of duty.

1942 saw the retirement of John F. Coakley, a member of the Permanent Force, and who had been associated with the Fire Department since 1899. My sincere thanks are tendered to Mr. Coakley for his many years of faithful service.

After many years of faithful service as members of the Call Force, the following men were retired on pension: Capt. Edward G. Bowditch, Lieut. Walter J. Cosman, John Logan, and Robert Glass. To these men my sincere appreciation is given.

There are 4 members of the Fire Department who have been granted leaves of absence and are in the armed forces of the United States. They are listed as follows: Fred D. Graham, Jr., Clarence E. Robinson, Arthur Hupprich, Charles W. Richards.

Respectfully submitted,

FRED D. GRAHAM,
Chief of Fire Department.

Report of the Forest Warden

January 19, 1943.

To the Honorable Board of Selectmen:
Gentlemen:

During the year there was a total of 165 woods and grass fires.

Respectfully submitted,

CHIEF FRED D. GRAHAM,
Forest Warden.

Report of Inspector of Wires

January 19, 1943.

To the Honorable Board of Selectmen:
Gentlemen:

I herewith submit my Annual Report as Inspector of Wires in compliance with the vote of the Town, 1922.

There was a total of 476 inspections made. All defects found were corrected, using the National Code as a guide.

Respectfully submitted,

CHIEF FRED D. GRAHAM,
Inspector of Wires.

Report of Superintendent of Streets

January 2, 1943

To the Honorable Board of Selectmen,
Wakefield, Massachusetts

Gentlemen:

I respectfully submit the annual report of the work done and the expense incurred in the Highway Department for the year ending December 31, 1942.

GENERAL MAINTENANCE

Patrol—The cleaning of the gutters in the business section daily, with a truck and two men once a week cleaning the business section in Greenwood.

Tar and Sand—The following streets received surface treatment during the past year:

Avon Street	Forest Street
Bennett Street	Francis Avenue
Charles Street	Franklin Street
Church Street	Green Street
*Clarina Street	Greenwood Avenue
Common Street	Hanson Street
Cordis Street	High Street
Crystal Street	Linden Street

Lowell Street	Pitman Avenue
Main Street	Prospect Street
Maple Way	Renwick Road
Meriam Street	Salem Street
Montrose Avenue	Stedman Street
Morrison Road	Summer Street
Myrtle Avenue	Sweetser Street
Oak Avenue	Valley Street
Oak Street	Warren Avenue
Orchard Avenue	Wave Avenue
Orchard Street	

The cost: Labor	\$ 1,593.60
Material	2,503.08
	<hr/>
	\$ 4,096.68

Street Cleaning—This item includes the cleaning of the streets and gutters of the town in the spring and fall of the year.

The cost: Labor	\$ 2,071.69
Material	30.50
	<hr/>
	\$ 2,102.19

Repairs to Equipment—The following is a list of equipment, showing the model, year, and the money spent to keep same in repair:

	Labor	Material	Total
Oldsmobile Coupe 1940	\$ 28.38	\$ 20.12	\$ 48.50
Dodge Pick-up 1937	24.19	23.64	47.83
Mack Truck 1938	79.09	350.21	429.30
Dodge Truck 1941	51.79	98.22	150.01
Dodge Truck 1935	58.98	300.92	359.90
Dodge Canopy Truck 1938	34.34	89.26	123.60
Ford Coupe 1934	11.90	8.00	19.90
Plymouth Coupe 1937	36.01	96.41	132.42
Dodge Truck 1936	42.06	329.92	371.98
6 Ton Gas Roller 1929	23.14	.27	23.41
14 Ton Gas Roller 1931	105.25	118.26	223.51

	<hr/>	<hr/>	<hr/>
	\$ 1,065.27	\$ 2,305.40	\$ 3,370.67

Supplies—

Gasoline	\$ 1,392.14
Kerosene	15.79
Oil	41.95
	<hr/>
	\$ 1,449.88

Street Signs—This item includes the erection of new signs for street direction and traffic control, and the repair and painting of signs. The erection of metal signs will be discontinued for the duration, replacements being made with wooden signs.

The cost: Labor	\$ 308.21
Material	51.45
	<hr/>
	\$ 359.66

Traffic Lines—All traffic lines are painted twice a year, but owing to an order received from the War Production Board on the removal of car rails, the traffic lines in the square were painted once, early in the season.

The cost: Labor	\$ 250.43
Material	124.97
	<hr/>
	\$ 375.40

Buildings—

Light	\$ 24.16
Water	50.00
Fuel for heating	310.47
Repairs and upkeep	440.09
	<hr/>
	\$ 824.72

DRAINAGE

This item includes the laying of new drainage and the repairs to old drainage, and cleaning of brooks, culverts, and basin tops.

The cost: Labor	\$ 1,919.59
Material	937.93
Rental	7.95
	<hr/>
	\$ 2,865.47

SNOW AND ICE

The following are the expenditures for this work:

Snow Removal and Hauling—

Labor	\$ 1,109.52	
Rental	327.88	
	<hr/>	\$ 1,437.40

Street Plowing—

Labor	\$ 281.09	
Rental	873.93	
	<hr/>	1,155.02

Sidewalk Plowing—

Labor		109.60
-------	--	--------

Repairs to Snow Plows—

Labor	\$ 287.21	
Material	104.69	
	<hr/>	391.90

Sanding—

Labor	\$ 969.19

Coasting Signs—

Labor	\$ 100.35	
Material	5.28	
	<hr/>	105.63

Miscellaneous—

Material		58.25
----------	--	-------

\$ 4,793.95

SIDEWALKS

Gravel and Dust—Much was accomplished the past year under this item. Owing to the heavier travel on sidewalks, many complaints were registered with this department, mostly from outlying districts.

The cost: Labor	\$	775.33
Material		341.61
		<hr/>
	\$	1,116.94

Cement—

Main Street—at Lincoln Street.

Main Street—from Franklin Street to Charles Street.

The cost: Labor	\$	652.62
Material		461.47
		<hr/>
	\$	1,114.09

CHAPTER 90 MAINTENANCE

Appropriation by Town	\$	1,000.00
Allotment from State		1,000.00
Allotment from County		1,000.00
		<hr/>
Total	\$	3,000.00
Expended: Labor	\$	1,174.14
Material		687.43
		<hr/>
Balance	\$	1,138.43

This work is laid out and supervised by engineers from the State Department of Public Works. It includes cutting brush, drainage repairs, resurfacing and road repairs, and maintenance and painting of guardrail.

CHAPTER 90 CONSTRUCTION

LOWELL STREET

A continuation of the rebuilding of Lowell Street.

Appropriation by Town (1941)	\$	5,000.00
Contribution from County (1941 and 1942)		3,855.61
Contribution from State (1941 and 1942)		7,711.23
Transfer from Highway Funds (1942)		347.24
		<hr/>
Total	\$	16,914.08

Expended: 1941		\$ 15,565.88	
Labor 1942	\$ 858.15		
Material 1942	490.05	1,348.20	16,914.08
Balance			\$ 0.00

Art. 16. Special Appropriation—Construction of cement sidewalk and curb on the westerly side of Main Street, Lakeside.

Appropriation—March		\$ 1,500.00	
Expended: Labor	\$ 1,207.57		
Material	256.25	1,463.82	
Balance		\$ 36.18	

Art. 10. Special Appropriation—Main Street Resurfacing from Water Street to Albion Street. This appropriation consisted of balances from 1941 Main Street Resurfacing and 1941 Chestnut Street Rebuilding, amounting to \$922.82. It became impossible to resurface Main Street because of an order from the War Production Board on the removal of car rails, so this amount was again transferred to an account for the building of a parking area in the rear of the Boston & Maine Railroad station.

At this time I wish to express my appreciation for the support given me by the Board of Selectmen, and the heads of the several Town departments.

Respectfully submitted,

ROBERT B. MacKENNA,
Superintendent of Streets

Report of Supt. of Moth Department and Tree Department

January 16, 1943.

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Superintendent of the Moth and Tree Department for the year ending December 31, 1942.

We have found a ten per cent increase in the Tent Caterpillar, the Satin and Brown Tail Moths are about the same as last year, and a five per cent decrease of the Gypsy Moths. The Elm Leaf Beetles have decreased about five per cent, but they are still plentiful. Every elm tree in town, that was seen, was sprayed, and we will have to take the same precaution this year.

We removed 35 shade trees which had died from various causes or from the widening of streets and sidewalks. We planted 175 young trees where they were needed. Of this number the Garden Club and John J. Round purchased 25 and we purchased 50. The other 100 were grown at our nursery at Broadway.

I wish to thank publicly the Garden Club and John J. Round for their efforts in providing us with these shade trees.

We spent \$2,367.65 for Moth Work, \$1,577.21 for Spraying, \$2,617.14 for trimming and removing trees and cutting brush. The income for the year beginning April 1, 1941 and ending March 31, 1942 was \$1,309.67.

I wish to thank the public for the fine co-operation they gave us when we did private spraying this past year.

For other expenditures and appropriations of this Department see the Town Accountant's Report.

Respectfully submitted,

JOHN A. LANDRY,
Superintendent Moth and Tree Dept.

Report of Inspector of Buildings

January 1, 1943

To the Honorable Board of Selectmen:
Wakefield, Massachusetts.

Gentlemen:

I submit the following report of my activities for the year ending December 31, 1942.

Building permits issued	232
Building inspections	946
Sidewalk permits	33
Awning permits	11
Sign permits	22
Shingle permits	27
Permits to tear down	8
Awning inspections	14
Sign inspections	21
Elevators inspected	27
Convalescent Homes inspections	4
Rooming house inspections	5
Public Building inspections	15
Fire escapes inspected	12
Factories inspected	21
Fire inspections	57
Chimneys condemned	12
Unsafe buildings condemned	3
Buildings torn down	8
Elevators condemned	1
Permits refused	12
Building without permit	17
Complaints investigated	54
Cases to Appeal Board	10
Violation of Building Laws, construction suspended	5
Notices sent to owners of unsafe condition of building	12
Unsafe buildings posted	3
Installing signs without permit or bond	7
Schools inspected	10
Vacant houses inspected	17

Approximate valuation of new construction	\$ 431,390.00
Permit fees received	\$ 365.00

You will notice that 54 complaints were investigated this year.

These complaints originate from many different motives, some of which are not above question, a few are justified, many are not.

Ignorance of the general situation often is at the root, sometimes the complaint may be prompted by an attempt to get revenge in a personal quarrel.

The belief that partiality has been shown is another foolish source.

A neighborhood busybody sometimes appoints himself or herself as an unofficial inspector and brings in many complaints.

Imagination as to fancied dangerous conditions is another source.

Whatever the source or nature of the complaint, a thorough investigation is made to determine the truth of the charges.

From the 54 complaints, 17 were justified, 11 neighborhood quarrels, 10 personal feelings to the neighbor and 16 imagination.

Respectfully submitted,

JOSEPH W. MacINNIS,
Building Inspector.

Report of Compensation Agent

January 1, 1943

To the Honorable Board of Selectmen,
Wakefield, Massachusetts.

Gentlemen:

There were forty-four (44) compensation cases during the year 1942. The total amount spent for compensation was \$1,094.50.

Five hearings were held before the Industrial Accident Board during the year. All ended in favor of the Town.

Of the total of \$1,094.50 spent during the year 1942, \$695.15 was on one case. The accident to this injured employee occurred in 1940. Compensation has been paid to date due to the fact that the injury aggravated a pre-existing arthritic condition rendering the employee incapable of working. I am now attempting to have a lump sum settlement of this case submitted to the Industrial Accident Board. If the case can be settled at the figure which I have submitted to counsel for the employee the Town of Wakefield will save a minimum of \$2,200.00.

It should be noted that this report does not cover all town employees. One department of the Town of Wakefield carries a policy of Workmen's Compensation insurance in a casualty insurance company.

COMPENSATION ACCOUNT

Appropriation for 1942			\$ 1,500.00
Expenditures			1,094.50
			<hr/>
Balance			\$ 405.50
Expenditures by Departments		Expenditures for	
Welfare	\$ 695.15	Compensation	\$ 705.27
Highway	147.33	Medical	389.23
Water & Sewer	109.29		
School	126.10		
Town Hall	9.00		
Compensation	7.63		
	<hr/>		<hr/>
Total	\$ 1,094.50		\$ 1,094.50

Respectfully submitted,

JOSEPH W. MacINNIS,
Compensation Agent.

Report of Town Counsel

January 22, 1943.

To the Honorable Board of Selectmen:

My report from January 1, 1942 to December 31, 1942 is as follows:

The following cases were disposed of during the past year:

Morrison vs. Town of Wakefield, involving personal injuries alleged to have been caused by defective highway, tried.

Donegan vs. Town of Wakefield, for injuries alleged to have been caused by defective highway, settled.

Hodsdon vs. Town of Wakefield for injuries alleged to have been caused by defective highway, settled.

Five cases involving street betterments on Central Street were tried and disposed of in the Superior Court.

There are now pending two cases for alleged personal injuries, five cases in Essex Superior Court on welfare matters, several tax appeal cases, two compensation cases and various matters before state departments.

There have been several matters involving tax appeals tried and disposed of before the Tax Appeal Board in the past year. Many have been settled by conference satisfactory to all parties concerned. We have received several notices for injuries due to defective highways, upon which action has not as yet been brought.

I have rendered several written opinions to various boards and innumerable oral opinions, have had conferences with practically all the departments of the Town and a number of state departments and federal agents involving war projects and salvage operations. There is now pending before the Board of Selectmen, matters involving the removal of the rails in the town. I have had conferences with the Boston and Maine Railroad officials in regard to leasing land for parking purposes.

From year to year, the duties of the Town Counsel seem to be on the increase and it may be expected that during the present emergency, the services expected of him will increase many fold.

I desire to thank all the town departments for the co-operation they have shown in various matters which have come before them and where my services were necessary.

Respectfully submitted,

JOHN I. PRESTON,
Town Counsel.

Report of Animal Inspector

January 19, 1943

To the Honorable Board of Selectmen:

Gentlemen:

At this time I wish to submit my report as Animal Inspector for the year ending December 31, 1942.

There have been 144 heads of cattle inspected and 18 cow barns.

Have placed 73 dogs in quarantine and two cats were quarantined. None was found rabid.

Respectfully submitted,

GEORGE A. BENNETT,
Animal Inspector.

Report of Dog Officer

January 20, 1943

To the Honorable Board of Selectmen:

Gentlemen:

At this time I wish to make my report as Dog Officer for the year ending December 31, 1942.

The town has been canvassed twice for unlicensed dogs and 276 calls were answered.

There have been 18 dogs returned to their rightful owners and 70 dogs were sent to the Animal Rescue League.

Twenty-one dogs have been disposed of.

Respectfully submitted,

GEORGE A. BENNETT,
Dog Officer.

Report of Contributory Retirement Board

To the Honorable Board of Selectmen:
Wakefield, Mass.

Gentlemen:

The Contributory Retirement Board submits the following report for the year ending December 31, 1942:

The total membership for the year ending December 31, 1941, including pensioners, was 181. During the year 1942, 38 new members were admitted to the system; 11 withdrew; 1 died, and 10 were retired; 5 in the Fire Department, 2 in the Light Department, 1 Town Hall Janitress, 1 in the Water Department, and 1 in the School Department. The total membership, including pensioners, as of December 31, 1942 is 212.

During the year there has been paid out in pensions and annuities the sum of \$22,220.86. As of December 31, 1942 there are 34 pensioners with a total amount of monthly payments to pensioners of \$2,027.20.

Presented below is a statement for the year ending December 31, 1942:

Report of Town W. P. A. Agent

January 20, 1943.

To the Honorable Board of Selectmen:
Wakefield, Massachusetts.

Gentlemen:

I wish to submit the following report of the activities of the W. P. A. projects in the Town of Wakefield for the year of 1942. Mr. Harold Buxton, Sponsor's Agent, left in November to enter private employment so Selectman William R. Lindsay, in charge of W. P. A., was appointed Sponsor's Agent for the remainder of the year, and as such Agent renders this report.

The following projects were worked during the past year:

Sidewalks, Drainage, Geodetic (discontinued in August) Morgan Avenue (discontinued in October) Madison Avenue (discontinued and to be completed by Highway Department) Crystal Lake Park Sewer (discontinued and to be completed by Water Department) Surplus Commodities continued by the Welfare Department after the Board of Selectmen discontinued all W. P. A. projects on the first of December.

The total spent by the Town of Wakefield was \$15,420.28.

I wish to thank the other members of the Board of Selectmen, Mr. Walter F. Como, Director of Operations, all W. P. A. field engineers as well as the entire personnel of the W. P. A. for their co-operation and helpfulness.

Respectfully submitted,

SELECTMAN WILLIAM R. LINDSAY,
Sponsors' Agent and Co-ordinator.

Report of Sealer of Weights and Measures

Respectfully submitted by the Wakefield Assessors,

GEORGE E. BLAIR
LEO F. DOUGLASS
GEORGE H. STOUT

CHARLES WARDWELL MORRILL

Member of the Town Planning Board

1940 to 1942

Born in Berlin, N. H., May 31, 1904

Died in Wakefield, Mass., February 26, 1942

A graduate of Bowdoin College in 1927, and of the Harvard Law School in 1931, Mr. Morrill spent the following ten years in our town, where he entered with enthusiasm into the civic life of the community.

Mr. Morrill was trusted and loved by all who knew him, because of his fine mind, his kindly heart, and the complete fairness of his judgment. He could always weigh with sympathy and generous thought the claims and the opinions of others. He had a large and genuine loyalty to this town, and was keenly interested in its progress and future. We shall all miss him deeply, and we are grateful for the privilege of having known him.

His reverence for God, his warm interest in people and his public spirit made him a strong, useful citizen and a cherished friend.

Report of the Town Planning Board

To the Citizens of the Town of Wakefield:

The Town Planning Board presents its report for the year ending December 31, 1942.

Regular meetings have been held at the Lafayette Building on Friday evenings throughout the year. Public hearings have been held and members of the Board have attended various local hearings.

Four amendments to the Zoning By-law, approved by the Board, were adopted at a Town Meeting held March 16.

The Board has kept itself informed about the Reading Drainage Project, also, the changes in the plans for Route 128.

Realizing that as the population of Wakefield increases the present methods of disposing of garbage and rubbish must be changed, the Board has acquired considerable knowledge regarding the methods used in other communities. The Board is of the opinion that the trench method for disposal of garbage will be the most practicable method for Wakefield to adopt when the present method will have to be discontinued because of excessive cost, caused by restrictions placed by other communities upon the carting and selling of garbage.

The Board has continued to give consideration to the question of a large, well supervised municipal dump and is of the opinion that Wakefield should cooperate with Reading in filling in the low land east of North Avenue and northwest of Quannapowitt Boulevard.

The Board believes that its statement in the report of 1941 in regard to revision of the Zoning By-law should receive continued consideration, and that from it constructive action may be had in the future.

The Board wishes to place on record its profound regrets for the loss of our esteemed member, Mr. Charles W. Morrill, who died suddenly on February 26. Mr. Morrill was a conscientious and efficient member, and gave generously of his time and thought to his work. He served most acceptably as Secretary of the Board for one year and six months.

The vacancy caused by the death of Mr. Morrill was filled by the election of Mr. M. Gardner Clemons at a Town Meeting held March 16.

Respectfully submitted,

FITZEOY WILLARD, Chairman
M. GARDNER CLEMONS, Secretary
DR. FRANK T. WOODBURY
EDWARD G. LEE
EDWARD M. BRIDGE

Report of Board of Health

To the Citizens of the Town of Wakefield:

The Board of Health herewith presents its report on health conditions and on the varying activities of the Board for the year 1942.

Wakefield has been fortunate during 1942 in that there have been no serious outbreaks of any of the contagious diseases. The accompanying comparative table shows quite a decrease in the prevalence of the more serious diseases—measles, scarlet fever and whooping cough. Fewer dog bites have been reported in 1942 than in any of the three preceding years.

Early in the year, at the urgent request of the State Health Department, a special anti-rabic dog clinic was held which materially increased the expense chargeable to contagion.

The Board continues its four-year comparison of reportable diseases and the annual cost for tuberculosis and contagious diseases for these years.

The total receipts of the Health department for 1942 were as follows:

Milk and Food Inspector	\$116.00
Plumbing Permits	284.00
Reimbursement and Licenses	330.80

These amounts were deposited with the Wakefield Trust Company to the credit of the town.

The tuberculosis subsidy from the Commonwealth for 1942 and payable in 1943 amounts to approximately \$1,704.00.

	1939	1940	1941	1942
Tuberculosis	\$6,092.00	\$6,203.76	\$6,911.13	\$6,224.75
Contagion	584.00	255.25	772.00	677.09

CONTAGIOUS DISEASES

	1939	1940	1941	1942
Tuberculosis	9	11	9	7
Diphtheria	2	0	0	0
Pneumonia	18	21	6	12
Poliomyelitis	1	0	1	0
Measles	37	37	294	95
Chicken Pox	16	9	5	41
Septic Sore Throat	0	1	0	0
Scarlet Fever	6	12	29	19
Typhoid Fever	0	1	0	0
Conjunctivitis	1	1	1	0

Dog Bites	74	50	69	44

VISITS MADE BY MISS RUSSELL

Chicken Pox	38
Scarlet Fever	46
Tuberculosis and Contacts	502
Measles	168
Whooping Cough	10
Dog Bites	4

During the year Miss Russell made the following hospital visits in connection with patients being X-rayed and examined:

- 25 trips to North Reading State Sanatorium, North Reading, Mass.
- 20 trips to Middlesex County Sanatorium, Waltham, Mass.
- 2 trips to Massachusetts General Hospital, Boston, Mass.
- 3 trips to Melrose Hospital, Melrose, Mass.
- 2 trips to Essex County Sanatorium, Middleton, Mass.
- 2 trips to Tewkesbury State Infirmery, Tewkesbury, Mass.

Respectfully submitted,

WESLEY S. GOODWIN, Chairman
ROBERT DUTTON, M.D., Secretary
NED C. LOUD

Report of Board of Health Agent

To the Wakefield Board of Health:

Gentlemen:

I herewith submit my report as Health Officer for the year 1942.

The work of this office has been of the usual nature. There were many complaints of all kinds, which had to be investigated and adjusted with diplomacy.

Last year the Board asked the citizens not to throw their refuse and rubbish on the streets, but to take it to the dumps. It is gratifying to report they have done so, and very rarely do we see refuse and rubbish on the streets near the center of the town.

The dumps have been kept in their usual good order by Mr. Joyce and Mr. Welford. The Board is fortunate in having caretakers who take such pride in keeping the dumps looking so good. We have the usual trouble with overflowing cesspools but they are getting fewer each year as the public sewer is extended.

I have made 652 visits and inspections which have to do with health matters only.

Respectfully submitted,

DAVID MARTIN,
Health Officer and Agent

Report of Middlesex County Extension Service

For the Year 1942

This is a report of the work done in Wakefield in 1942 by the Middlesex County Extension Service:

One hundred sixty-nine boys and girls were enrolled in 4-H Club work and helped in the war effort in production and conservation by carrying on activities in clothing, food, home furnishing, canning, handicraft and garden. These clubs were under the supervision of the following volunteer leaders: Mrs. Walter N. Jones, Mrs. George Stoddard, Mrs. Eugene Clark, Miss Jeanne Evangelista, Mrs. Robert Mathias, Mrs. Daniel Raus-tis, Mrs. Edmund Becker, Mrs. Emily Climo, Miss Bertha Climo, Mrs. Lyle Courage, Miss Evelyn Cardillo, Miss Helen Colucello, Mrs. Aida Strong Roberts, Miss Ethelyn Ramsdell, Miss Alice Climo, Mr. Frederick Cook, Mr. George Stoddard and Mr. Gaston Loubris. Mrs. Edmund Becker was chairman of the committee which sponsored 4-H club work in the town. A well-attended achievement program and exhibit brought the winter season to a close. Canning members exhibited at Horticultural Hall in Boston and also had a store window exhibit. Philip Sousa won recognition on his excellent garden record.

Miss Alice Climo attended the leaders' camp at the State College in Amherst. Several club members won prizes at the Topsfield Fair. Elinor Coggin received a cash prize for canning at Horticultural Hall in Boston. Alma Becker and Beverly Clark exhibited at the local Hobby Show. Nancy Stoddard participated in the Singer Sewing Machine contest in Boston, winning third place among twelve contestants. The George Stoddard family were written up in the National 4-H Club News as outstanding 4-H'ers.

Club members held their annual rally in Wakefield, which was very well attended. Enthusiasm prevailed as sixteen clubs participated in the skit, demonstration, song and identification contest.

A variety of courses for women were given in various sections of the town. Food preservation headed the list, with five meetings held with an attendance of 165. Other classes were held in slip covers, reupholstery, reseating of furniture and refinishing of furniture.

The victory garden program was presented in a talk to the Greenwood garden club and at a church group. The home gardeners were sent insect and disease control charts to aid them in their garden work.

Tuberculosis Dispensary Report

To the Wakefield Board of Health:

Gentlemen:

The annual report of the Tuberculosis Dispensary is herewith respectfully submitted.

The Tuberculosis Dispensary is open the first and third Friday evenings in the month from 8 to 9, and the second and fourth Tuesday afternoons from 3.30 to 4.30.

The number of examinations made at the Dispensary in the year 1942 were fewer than in any previous year. This is due to the patients being educated to the value of X-ray in the diagnosing and treatment of tuberculosis. Another reason is that the majority of ex-sanatorium patients return regularly to the sanatorium for chest examination and X-ray, also treatment when necessary.

Patients are being educated to accept sanatorium care, because nearly everyone with active tuberculosis can best be treated in a sanatorium.

The chief reason why sanatorium treatment is more successful than home treatment is that in a sanatorium, mental and physical rest are enforced. Other reasons are: the patients are under daily medical observation; X-rays and other things necessary for treatment are available; good nursing care is provided; the patient learns how he should take care of himself when he goes home. The sanatorium also has another important advantage; it prevents the spread of tuberculosis to other members of the family. Special measures which are often life-saving can be used in many cases of pulmonary tuberculosis. These are the various methods of collapsing the diseased lung—by injection of air into the space between the lung and the chest wall (pneumothorax) by crushing the nerve which supplies one side of the diaphragm—(phrenicotomy)—by removing parts of ribs and allowing the chest wall to compress the diseased portion of the lung (thoracoplasty).

We have at the present time two patients in the Middlesex County Sanatorium, Waltham; two patients in the North Reading State Sanatorium, North Reading; one patient in the Essex County Sanatorium, Middleton.

Seven cases of tuberculosis were reported in the year 1942.

Respectfully submitted,

IRA W. RICHARDSON, M.D.,
Dispensary Physician
NELLIE B. RUSSELL, R.N.,
Dispensary Nurse

Report of Milk and Food Inspector

To the Wakefield Board of Health:

Gentlemen:

Herewith is submitted my report as Inspector of Milk and Food for the year ending December 31, 1942.

As in other years the work to date has consisted of numerous visits to all dairies, both in and out of Massachusetts selling milk to Wakefield dealers or direct to Wakefield consumers.

In spite of the difficulty of obtaining farm labor the milk supply while not so abundant, has been of good standard quality and cleanly handled.

Of 168 samples, laboratory tested for fats, solids, bacteria and correct pasteurization, none was found to be below the legal requirements.

Pasteurization, which is an especially important function in processing milk and cream, has been watched carefully and such plants employing these methods have been inspected at intervals throughout the year.

The food situation, which at times has become critical, has been handled by the stores in a creditable manner. While the refrigerators were almost bare of meats and many changes had to be accepted, only in one instance has a complaint come to this office of foul quality, and that was more oversight than deliberate intent.

The following office records sum up in detail the work through the year:

Retail Milk Licenses issued	52 @ \$.50	\$ 26.00
Dealers' Milk Licenses issued	36 @ .50	18.00
Pasteurization Licenses issued	5 @ 10.00	50.00
Ice Cream Manufacturing Licenses issued	3 @ 5.00	15.00
Oleomargarine Permits issued	14 @ .50	7.00
		<hr/>
		\$116.00
Dairies under direct supervision		30
Dairy Inspections made in Massachusetts		40
Dairy Inspections made out of State		14
Dairy Permits approved		30
Dairy Permits not approved		2
Food Inspections made		41
Laboratory Examinations made		168
Conferences attended		6

Respectfully submitted,

LAWRENCE E. DOUCETT,
Inspector of Milk and Food

Report of Plumbing Inspector

To the Wakefield Board of Health:

Gentlemen:

I herewith submit my report for the year ending December 31, 1942.

Number of Permits granted	192
Number of Fixtures installed	1012
Divided as follows:	
Bath Tubs	144
Sink and Tray combinations	100
Lavatories	180
Water Closets	198
Bath Showers	141
Stall Showers	10
Sinks	63
Pressure Boilers	89
Tankless Heaters	63
2 Part Trays	24
<hr/>	
Total	1012

The sum of two hundred and eighty-four dollars (\$284.00) has been collected for these permits, and same has been deposited in the Wakefield Trust Company to the credit of the Town of Wakefield.

Respectfully submitted,

DAVID MARTIN
Plumbing Inspector

REPORT OF THE LIBRARY TRUSTEES

The Trustees of The Lucius Beebe Memorial Library herewith submit the eighty-seventh annual report, for the year 1942:

The Library has always tried to meet the needs of Wakefield citizens and today under war conditions, the Library is still fulfilling its obligations.

Naturally the entrance of the United States into the war brought an increased demand for information about the countries involved, their leaders and their customs. To make the books on such subjects easily accessible they have been grouped in one room, called the Victory Room. Technical works on aviation, navigation, engineering and allied subjects of special interest to those preparing for defense work or war service have also been placed on shelves in this room. Nearby maps, including "World News of the Week" (with a new issue each week) furnish a convenient means of following the progress and location of the war.

Other war services offered by the Library include a complete file of civilian defense pamphlets and a War Information Directory compiled by the staff.

During the drive for books for service men of the United States, 4477 books and over 1300 magazines were collected and forwarded to the Boston Headquarters through the courtesy of Eaton's Express Company and the Motor Corps of the Wakefield Chapter of the American Red Cross.

The Lecture Hall of the Library building has been used by the local chapter of the American Red Cross for classes in First Aid and Nutrition, by the Wakefield Committee of Public Safety for the registration of women for volunteer service and by the women air-raid wardens for classes of instruction. There have been some weeks when the Lecture Hall was used nearly every afternoon and evening; in fact, it has been utilized during the year, 250 separate times.

In compliance with defense requirements, the Lecture Hall has been prepared for air raid protection. Blackout curtains have been hung at the windows and first aid equipment provided. Practice drills have been held and each member of the staff is thoroughly familiar with her duties at the time of a blackout. During the summer the room was designated as the shelter for the children from the Park playground, should a raid occur.

As in every organization, public or private, the war has brought administrative problems. For some years there has been a desire for a Branch Library in the Montrose section of the Town. With the restricted use of gasoline, the need has become greater, and finally the Montrose Parent-Teacher Association and the Community Association, each made a formal request to the Trustees for such a Branch. The Trustees believe that it should be established. Tentative plans are being made and it is hoped that the request can be granted early in the coming year. The School Department is willing to cooperate and it now remains for the financial plans to be worked out.

The need for a definite plan of salary increments for the staff has been demonstrated again, this year, as it has many times before. Continuity of service is a valuable asset in library work and should receive financial recognition. Miss Alma Sullivan, a member of the staff for the past two years, left in November to take a position in the Library of the Massachusetts General Hospital at an increased salary. As this report is being written another member of the staff has received and will accept a

position in another state, also at an increased salary. It is quite possible that these changes as well as others in previous years, might have been avoided had there been a systematic plan of increments.

With the demand for unskilled labor in defense plants, it is increasingly difficult to find part-time assistants to do some of the routine work which relieves the trained staff for more important duties.

The Library has received many gifts of books and magazines, space in the Wakefield Daily Item through the courtesy of Mr. Cyrus M. Dolbeare and Mr. Gardner M. Campbell, a victrola with records from Mrs. Harry F. Eaton, Christmas decorations from Mrs. Albert Rockwood and Mr. Lucius M. Beebe, and many beautiful flowers at various times to adorn the library. Books and papers of historical interest have been given by Mrs. Hubbard Mansfield, and Mr. William E. Eaton has given maps of Old Reading, Stoneham, Malden and Wakefield. From Mrs. Mark A. Newbegin a large flag of the United States has been received. To all these many friends who have been so generous the Trustees extend their sincere thanks.

Two exhibits of note have been held during the year. The first was of the pictures of Mr. Harold Anderson, a former Wakefield resident, now of New Rochelle, New York. His colorful paintings of homely scenes gave pleasure to many of his boyhood friends. In October Mr. Paul N. Guillow arranged a display of airplane models. This exhibit was of special interest to the youth of Wakefield, many of whom knew the name and kind of each model.

By the will of Mr. Jacob Burley a gift of a valuable collection of books on furniture, art and architecture has been left to the Library in memory of his father, Mr. John Burley. This collection will add greatly to the art resources of the Library, and will be much appreciated by the patrons, many of whom are especially interested in the various branches of art represented by this gift.

Throughout this difficult year with its many extra duties and the confusion of unusual activities due to the War, every member of the staff has been loyal and cooperative. To them and to Mr. Herbert Mitchell, who as janitor has given many extra hours of service, the trustees wish to express their appreciation. Without this loyalty the regular work of the Library would of necessity have suffered.

The 1942 war-time activities of the library include:

War information center and clearing house of war information.

War information directory (contents listed elsewhere—attached)

Supervision of the organization of three files of registration cards of women volunteers for civilian defense; (work was not done by library staff).

Lists printed and distributed: Technical books, civilian defense, pamphlets on protection, health, nutrition, budget, food gardens.

Book deposit at Wakefield Report Center

Free use of library for service men stationed in Wakefield.

Resources of library free to local civilian defense councils.

Victory Room in library for war books, technical book, maps including World news of the week map display, special war service pamphlet collection.

Newspaper publicity and folders distributed listing war time library services.

LIBRARY EXHIBITS

Main Library:

- Elizabethan pictures (Museum prints)

Report of Park and Cemetery Commissioners

To the Citizens of Wakefield:

The Park and Cemetery Commissioners submit their annual report for the year ending December 31, 1942. Because of the world conflict that our country is in, the Park and Cemetery Commissioners have carried on with routine work only, that is, keeping our Park, Common, playgrounds, bathhouse and cemeteries that are under our care in a respectable condition, that we may have the best Park System of any town or city of our size in this vicinity.

Our present concern is trying to keep the large plot at the corner of Prospect and Hopkins Sts in a respectable condition. In order to do this it would require a man three days a week, which is impossible under our appropriation and the small crew we hire for the summer months. We recommend that this plot be taken out of the Park System and sold for residential purposes.

At this time we wish to thank Mrs. Hume, custodian of the Hartshorne House, and Mrs. William W. Greenough, president of the Wakefield Garden Club, for the wonderful cooperation given our Department in planting and the upkeep of the two beautiful flower beds east of the tennis courts at the Church St. Playgrounds. We feel that if more public-spirited citizens would do likewise all of our playgrounds would have flower beds that would add to their attractiveness.

Because of the blackout and dimout regulations softball playing under lights has been discontinued for the duration.

The sidewalk on Lake Ave west of the Park is still in a deplorable condition, and should be one of the first improvements to be made after the war. The Moulton and Nasella Playgrounds, which have been left unfinished by the W. P. A., should be completed in the near future.

We have had more or less trouble with the emergency boat on the lake the past season. Persons have taken it out for other purposes than emergency and have left it in such a condition that it could not be used in case of an emergency. After July 4 we had the boat manned by one of our own employees Saturday afternoons, all day Sundays and holidays. This arrangement proved successful and we intend to carry it out for the coming season.

The bathhouse is still a popular place for the children during the summer vacation, and we think it is one of the best endeavors that the town maintains for the children. \$94.50 was collected from non-residents for use of the bathhouse the past season.

Forest Glade Cemetery is self-supporting. There were 76 burials for

1942 and the receipts were as follows: Sale of lots and graves, \$1311.00; Perpetual care \$2023.00; Miscellaneous receipts \$1466.00; Total \$4800.00. We employ two men at the cemetery, but as the work is increasing each year it will be necessary to add another man, therefore it will be necessary to increase the price of lots and graves and perpetual care to take care of this extra expense. Our charges at present are 100% lower than any cemetery in this vicinity and we feel justified in the slight increase.

We bought two W. P. A. trucks for our Department. In 1935 the Municipal Light Department turned over to us an old 1929 Ford dump truck which is now ready for junk.

This year we must obtain a large amount of fill to make more graves and lots at the cemetery and these two trucks will be used for this purpose.

Bath House report under another heading.

Respectfully submitted,

JOHN T. STRINGER, Chairman
GEORGE W. ABBOTT, Secretary
JOHN W. MacGILLIVRAY

Report of Bath House Supervisor

Supervisor Wakefield Park Board,
Wakefield, Mass.

Gentlemen:

The bath house opened officially June 26, 1942 and closed September 4, 1942, during which time a strict and continuous watch was given for the protection of the bathers from 9.00 a. m. to 8.00 p. m. on week days and from 2.00 p. m. to 6.00 p. m. on Sundays.

During the usual hot spell which generally comes along about the middle of July and remains to along about the first two weeks in August, the bath house was kept open longer for the safety of night bathers.

The weather throughout the past season was fine with the exception of a few cold days the last week of August and an odd rainy day in which only the more venturesome came to the lake for a swim, during this inclement period.

The life guards were kept busy, however, cleaning around the bath-house inside and out, also raking the debris that gathers along the shore of the lake directly in front and along the side of the bath house. A general check-up is kept up daily by the entire bath house crew for glass, wire, tin and sharp pieces of sticks which are brought here frequently by the younger element and are left on the beach.

If these sharp objects are not discovered on time a series of bad cuts are the result.

Swimming classes were given daily and many children and grown-ups, too, took advantage of the opportunity of learning to swim or improving their ability to take care of themselves in the water.

Special classes were held for the advanced pupils and Boy Scouts. The result was twenty-two Scouts passed their merit badge test.

Races and water sports were held three times a week for the children and a good time was enjoyed by all.

Individual groups such as Girl and Boy Scout troops and day campers frequented the bath house from time to time during the bathing season. These groups were kept under control by their own leaders or counsellors and they certainly did an excellent job in this respect.

Average daily attendance	500
Maximum weekly	3800
Number of minor cuts	178
Number of serious injuries	3
Sunstroke	2
Number of persons beyond their depth needing help	47
Number of suspensions	14
Causes of suspensions	

Immoral conduct	1
Obscene language	5
Destroying property	4
Stealing	4
Lost children found at bathhouse or found wandering around the shores of lake and returned to their parents	5

A strict watch was kept by the entire staff for grown-ups, men or women whether they be in cars or canoes, who are in the habit of inviting youngsters for rides while they are under the care of the bath house staff.

With the co-operation of the Police this practice was discouraged.

We would like at this time to thank our superiors and all who have helped us throughout the 1942 season from time to time in making it a successful season.

In closing I should like to pay tribute to a former life guard here at the Wakefield bath house, a young man who was liked by young and old alike, a man who as a guard always did more than was expected of him at great risk to himself, time and time again. I consider it a great honor to have worked with him.

This man, Private David Carney, while under heavy fire in the Solomon Islands, went to the rescue of a comrade and dragged him to safety with the result he received a bad wound in the leg.

We of the bath house staff wish him a speedy recovery and with the help of God we will see him up and around and able to once more enjoy the sport he most loved, down here at the lake.

DAVID F. INGERTON,
Supervisor of Bath House.

Report of the Municipal Light Board

January 2, 1943

To the Citizens of the Town of Wakefield:

We submit for your consideration the forty-ninth annual report of the Municipal Light Board, covering the year ending December 31, 1942.

The net profit, after deducting debt retirement, is \$37,471.91 as compared to \$41,931.19 in 1941.

The balance of our operating fund is \$42,755.94 as compared to \$38,184.70.

The department turned back \$30,000.00, which makes a total of \$223,611.82 to date.

On January 17, Major Samuel H. Brooks retired, having served as manager of the department for the past twenty years.

On January 20, J. M. Whitehead was appointed manager of the department.

The books of the department are being audited by T. B. Donnelly Company, Certified Public Accountants of Boston.

The report of the manager, showing the financial condition of the Plant as of December 31, 1942 and its operation for the year, is included in this report.

Respectfully submitted,

MARCUS BEEBE, 2nd, Chairman
THEODORE EATON, Secretary
CURTIS L. SOPHER, M. D.

January 2, 1943

To the Board of Light Commissioners,

Town of Wakefield, Massachusetts.

Gentlemen:

The following condensed Profit and Loss Statement shows the financial operations of the Department for the year ending December 31, 1942 and the changes over the previous year:

Income from Sale of Gas and Electricity	\$ 371,425.22	Increase	\$ 13,890.24
Cost of Gas and Electricity at Plant	176,561.00	"	15,198.97
Gross Revenue	194,864.22	Decrease	1,308.73
Operating Expense	146,584.05	Increase	3,649.32
Operating Revenue	48,280.17	Decrease	4,958.05
Other Income	1,030.90	Increase	142.25
Gross Income	49,311.07	Decrease	4,815.80
Other Expense	2,839.16	"	356.52
Net Income before Debt Retirement	46,471.91	Decrease	4,459.28
Bond Paid	9,000.00		
Net Income	\$ 37,471.91	"	\$ 4,459.28

You will note that the increase in the cost at the Plant of gas and electricity is \$15,198.97; this is due to increased purchases and increased cost per unit. We are now paying an average of 1.5 mills per K. W. H. on the switchboard for electricity, as compared to 1.31 mills in 1941 and 65 cents per M. C. F. for gas as compared to 61.6 cents. The increase in operating expense is due to the fact that there has been but very little new construction, with the result most of the labor has been chargeable to expense.

The balance sheet shows that Bonds outstanding amount to \$11,000.00, of which \$7,000.00 are payable during 1943. The Department will be free of bonded indebtedness early in 1945.

An inspection of the balance sheet shows that the Town's equity in the gas and electric plant amounts to as follows:

Total Assets		\$ 963,663.23
Less—Bonds Payable	\$ 11,000.00	
Consumers' Deposits	54,580.20	
Interest payable	2,110.04	
Accrued Interest on Bonds	150.14	
		67,840.38
		\$ 895,822.85
This equity is shown on the balance sheet under two headings:		
Appropriated Surplus		\$ 513,932.86
Surplus		381,889.99
Total Surplus		\$ 895,822.85

The above division of surplus is required by State regulations covering our accounting system.

The total sales of electricity in kilowatt hours has increased from 7,894,789 in 1941 to 8,196,155 in 1942. Commercial Lighting, that is electricity used in factories, etc., has decreased about 13% since May, when the dimout went into effect. Kilowatt hours used for Street Lighting has decreased about 7% in the same period, consequently we are asking the Town to appropriate \$20,000.00 for this purpose. The appropriation in 1941 was \$21,600.00.

The sale of gas has increased from 73,678,000 C. F. in 1941 to 78,079,200 C. F. in 1942. The increase is probably due to the shortage of kerosene for cooking purposes.

Up to the present time, the Department has not received any orders from the War Production Board to limit the deliveries of gas to our consumers; however, a general Limitation Order No. 179 has been issued, which is a plan for the limitation of the use of gas in case it becomes necessary.

During the past year, all new extensions of gas and electric lines have been controlled by the Federal Government through the Power Branch of the War Production Board and the only extensions that they will approve are those related to war production, public safety and the so-called war housing projects. Before the Department can start construction, we must submit a complete description of the project, including a list of all materials, weights and costs; why the extension is necessary and its relation to the war effort.

The size of wires, pipes, transformers, etc. to serve new housing developments are definitely regulated by standards set up by this Board; new street lights are banned for the duration of the war, and purchases of materials and supplies are limited to certain percentages of materials used in 1940.

During the past year we have received permission to build and have completed the following projects:

1. Robert St., Greenwood.—Gas and electric lines and services to connect about twenty single houses built by Ralph A. Crosby.
2. Victory Village, consisting of Jefferson and Hamilton Roads.—Electric lines and services to connect thirty-nine twin houses, being built by the Gilbert-Varker Corp. This development has not been completed and we have several connections to houses to be completed.
3. Water Department Pumping Station off Bay State Road.—Three-phase line from Vernon and New Salem Streets to the pumping plant, a distance of about two miles.

Most of the work of both departments has been in maintaining the gas and electric lines with the use of the least possible quantities of critical materials.

The maintenance work of the Electric Department consisted of replacing poles and changing construction thereon. We had one serious transformer outage, when a 100 KVA underground unit at the corner of Main and Chestnut Sts. burned out, so that most of the business section was without power and light for several hours. We were fortunate in

that we were able to secure a duplicate transformer from the General Electric Company and to have it connected before the peak load of Saturday evening came on.

The Gas Department has surveyed several of the old cast iron mains. Several very bad leaks were located and repaired, so that our loss of gas will be less during the coming year.

During the first part of May, the Army issued its first dimout regulations, which affected street lighting, outdoor lighting, advertising signs, and store window lighting. As a result of these regulations the Department turned off one light on each twin light fixture and the mercury lights in the square. All ornamental lights were shielded by either painting the globes or installing metal shields inside the globes. After several blackout tests the Army issued more rigid dimout regulations on November 30. Under the new regulations all street lights must be shielded so that the shield covers the bottom of the lamp filament. The proper type of shields have been ordered and we hope to receive some of them before the end of January. In view of the fact that many thousands of these shields have been ordered by other utilities, we cannot predict when all of the street lights will be shielded.

In regard to Air Raid protection, we believe that our personnel and equipment are so organized that they can do their part efficiently. We have taken part in several "incident" and blackout tests, all of our regular and auxiliary help have reported for duty on nearly every test.

The Police Department has supplied guards at the sub-station, who are on duty during the night. The Department has installed and maintained eight air raid alarm sirens in various parts of the town. Six of these sirens are operated by the Police signal system from the Police switchboard and the other two are manually operated, one at the Town Farm and the other by the Police. It has also contributed towards the installation of the Report Center at its present location.

The money for these purposes was taken from the fund set aside at the March 1942 Town Meeting.

The Department has disposed of about fifty tons of various kinds of scrap and have co-operated with other town departments in the collection of tin cans and other scrap.

There have been no new additions to the Fire Alarm and Police Signal system. Both systems have been kept in good operating condition by the department. The traffic lights have also been maintained and with the exception of the control box at Main and Oak Streets, are in good condition. It will be impossible to replace this box or get the necessary repair parts until after the war.

A new contract was entered into with the Malden and Melrose Gas Light Co. covering the purchase of gas, which became effective on November 1. Under the previous contract, the Department had to keep the holder in such condition that it could be put into service on thirty days notice; this condition has been eliminated in the new contract, and bids

covering the removal of the holder have been received. John D. Watson of Wakefield was the high bidder and was awarded the contract for the sum of \$625.00.

During the past year the following men have left the Department to enter the armed services:

Thomas J. Dignan	Navy
Douglas Martin	Coast Guard
Richard McGrail	Army
J. Henry Morgan	Coast Guard
Thomas Hennessy	Army
John W. MacGillivray, Jr.	Army

There are now seven employees from this department in the service, Ralph Turner having joined the Army in 1941. Good luck to them all.

Martin Joyce was retired in February 1942 after thirty-nine years of faithful service in the Gas Department.

Three other employees have left to take other positions, so that there are now thirty-eight, as compared to forty-three regular employees at this time last year.

Financial Statements follow:

33rd Annual Report of the Wakefield Water and Sewerage Board

As this is written, early in January 1943, we look back over the preceding events of recent years and particularly note the progress of the year ending December 31, 1942. Heretofore, we have submitted reports of the department covering not only the activities of the year just closing, but also outlining the department needs for the year then opening. We all know that water supply in all municipalities, as well as adequate sewerage, are of vital import for health and welfare of the whole people, but, not for a moment are we to neglect the fact that the water supply must be adequate to meet all reasonable demands, that it must be protected against pollution of all kinds and that it must be delivered to the consumers pure and palatable. The drought of the past two years was serious as viewed from all angles and the Board took steps to guard against effects of a continued dry season. Knowing full well that a new source of supply must be found and added to the sources already effective, plans were made to test several tracts of land within the town limits, with the result that a section of some twenty-five acres located between Vernon Street and Bay State Road and the Saugus River was given a thorough test under the joint supervision of Superintendent Merrill and representatives of Weston & Sampson, Consulting Engineers.

This resulted in submitting an Article in the Town Warrant at a meeting held in the Spring of last year and an overwhelming Aye vote authorized the Board to proceed to purchase the land and to harness the underground water available. Contracts were signed with the lowest bidders for the work and today a dug well of cement, capped with a brick and cement pumping station, is about ready for service.

This well is about 30 feet deep and 20 feet in diameter and we believe it will prove to be an important addition to our water supply. As to water rates we are confident that most of our people if not all, are aware that, effective May 1st, 1943 the minimum semi-annual charge will be reduced from \$4.50 to \$4.20 and to consumers of 15,000 cubic feet or less the rate will be 28c per 100 cubic feet a cut of 2c per 100 cubic feet from the rate of 30c effective up to November 1st, 1942.

Defense of public property from damage in time of war is an important item in the affairs of all Municipal Departments and we refer every citizen to the report of our Superintendent giving detailed information as to safety measures adopted by this Department. Another item is that which concerns the relaying of water mains where cement lined pipes are still in service. These old mains and connections frequently break and this Department will take every possible means to continue laying cast iron pipe in place of cement lined pipe, but this year 1943 of-

fers little assured reliance upon obtaining necessary equipment material, due to scarcity of pipe and fittings and the regulations of priority orders. The same trouble exists in so far as new construction plans are concerned and we can only "mark time" until the present tension is eased.

The Board is happy to report that all Town property under its jurisdiction is in excellent condition.

In Memoriam

On March 8, 1942, Chester S. Eldredge passed away after a short illness. In the death of Mr. Eldredge this department has lost a very painstaking, industrious and obliging employee.

SUPERINTENDENT'S REPORT

To the Water and Sewerage Board:

I respectfully submit the following report for the year ending December 31, 1942:

WATER MAIN CONSTRUCTION

Robert Street, from Forest Street northerly and easterly to Meriam Street, 1,025 feet of 6 inch cast iron pipe.

Minot Street, from dead end easterly to house of Blanchard, 57 feet of 1 inch copper tubing.

Juniper Avenue, from Vernon Street westerly to Pierce Avenue, 935 feet of 8 inch cast iron pipe.

Pierce Avenue, from Juniper Avenue northerly, 257 feet of 8 inch cast iron pipe.

In Easement, from Pierce Avenue northerly to town owned land, 880 feet of 8 inch cast iron pipe.

In Town land, from easement northerly to Pumping Station, 265 feet of 8 inch cast iron pipe.

Private Way, from Bay State Road southerly to New Pumping Station, 680 feet of 8 inch cast iron pipe.

Bay State Road, from dead end easterly to private way, 1250 feet of 8 inch cast iron pipe.

Overlook Road, from Morgan Avenue easterly to house of Clarke, 61 feet of 1 inch copper tubing.

Hamilton Road, from Richardson Street northerly and easterly to Jefferson Road, 585 feet of 6 inch cast iron pipe.

Jefferson Road, from Richardson Street, northerly and easterly to Wakefield Avenue, 960 feet of 6 inch cast iron pipe.

Lakeside Avenue, from North Avenue easterly to dead end, 560 feet of 2 inch galvanized wrought iron pipe.

Herbert Street, from Bennett Street southerly to dead end, 363 feet of 2 inch galvanized pipe.

Herbert Street, from Richardson Street southerly to dead end, 183 feet of 2 inch galvanized pipe.

NEW HYDRANTS SET

Robert Street, east side of street between lots 27 and 28, 5 inch Corey hydrant.

Juniper Avenue, opposite house of Dexter, 5 inch Corey hydrant.

Hamilton Road, corner Jefferson Road, 5 inch Corey hydrant.

At new Pumping Station, off Bay State Road, 5 inch Corey hydrant.

HYDRANTS BROKEN OFF BY MOTOR VEHICLES

Salem Street, near Number 290.

Converse Street, opposite Number 31.

SERVICES

New Services laid this year	83

Average Daily Per Capita, 1942	52.2 gallons			

PERMANENT IMPROVEMENTS

During the year two Rustop Systems of Cathodic Protection were installed in standpipes number 1 and 2. This equipment deposits a film on the interior metal sides of the standpipes protecting them from the elements, thereby preventing rust and corrosion. To date these machines are rendering excellent service. In all probability the standpipes will not have to be painted on the interior for some years to come.

A portable chlorinating apparatus has been purchased and is ready for immediate service at any time. This equipment can be used to substitute the chlorinator now in use at the Broadway Pumping Station should an accident occur at any time, or it may be used to chlorinate a questionable water supply should it be necessary to use the same in the event of any serious accident. Further, this machine may be used to chlorinate any water main which may become contaminated due to a breaking of an adjacent sewer pipe. This department is very fortunate in being able to obtain this machine as it is practically the only one in the eastern section of the State except those owned by the State Department of Public Health.

DEFENSE

Early in January the department installed heavy mesh wire screens on the windows at the Pumping Station on Broadway, also wooden black-out shutters at the Pumping Station and Shops.

All man-hole covers at the Broadway Filter Plant have been securely bolted down to prevent intrusion.

The Pumping Station and shops have been wired for auxiliary electric lights to be connected with either our electric thawing unit or our portable lighting equipment.

One of the boilers at the Pumping Station is kept in readiness so that steam may be generated in the least possible time if it should be needed to operate the steam pumping engine.

Auxiliary pipes have been installed at the filter plant so that more water may be supplied to the filters from the lake by the use of gasoline or steam pumps. A suction well has been constructed, in Crystal Lake, near the retaining wall in the rear of the Filter Plant, so that a sufficient supply of water may be obtained by auxiliary pumping.

The two steam fire engines housed in the garage at the Broadway Station, one a Silsby and the other an Amoskeag, are both in good order and ready for immediate service either to quench fires or for pumping auxiliary water supply as the case may be.

Additional fire hose has been installed in the Pumping Station. A supply of hose and nozzles is installed in the Hose House on the easterly side of the Pumping Station. The Hose House is equipped with a fire pipe, under pressure at all times, for use when necessary.

The Filter Plant and Broadway Station premises are thoroughly equipped with flood lights, which are dimmed out now in accordance with war regulations.

All gate boxes throughout the town have been painted an orange color which greatly facilitates finding them in event of emergencies.

An auxiliary water department crew has been organized and is ready for duty at the call of the Superintendent. Pipe and repair materials have been stored at several locations in town, making them more easily available in time of trouble.

Early in the year the department purchased steel helmets, rubber coats and boots for the use of the permanent men as well as the auxiliary force.

An air whistle was installed at the Broadway Station to be used in connection with air raid alarms. This whistle is tested regularly at 12 noon on week days. The motor, whistle and pipe used were all in storage at the time the whistle was installed and an air tank used in connection with the whistle was borrowed from the Light Department, to whom we are duly grateful.

The fire reservoir located in the Heywood Wakefield Company yard, Water Street, having a capacity of 300,000 gallons of water, has been thoroughly cleaned and sterilized for use in event of emergencies. Inasmuch

as the Heywood-Wakefield Company maintains a complete pumping station in connection with this supply it is an extremely valuable asset to the town's water supply system. Connections have been installed at the pumping station so that this water may be chlorinated if it is found necessary to use it at any time.

WATER SUPPLY

Crystal Lake has not fully recovered as yet from the drought of 1940 and 1941. The elevation of the water is 35 inches below high water mark at present. During the year it became necessary to pump from the driven wells of Sexton Avenue for the entire twelve months.

ADDITIONAL WATER SUPPLY

During January and February approximately 50 test wells were driven on the Westerly side of the Saugus River from Water Street to Salem Street. Of this number only three yielded any water worthy of consideration, the sub soil in this location being either brick-clay or ledge.

The City of Lynn having control of the water shed of the Saugus River between Salem Street and Vernon Street, no test wells were driven at this location.

Chapter 256 of the Acts of 1883 amended by Chapter 400 of the Acts of 1893, reserved the area between Vernon Street Bridge and the outlet of Lake Quannapowitt for the use of the Town of Wakefield for water supply.

Six test wells were driven on land of Benjamin Cox on the southerly side of Bay State Road and on the northerly side of the Saugus River. The four middle wells were connected by a four inch common suction pipe, this suction pipe being connected to a self priming centrifugal pump, and a pumping test was conducted 24 hours per day from 9:00 A.M. February 23, to 1:30 P.M., February 27 under the supervision of the State Department of Public Health.

These four wells yielded approximately 24 G.P.M. each or a total of 96 G.P.M. during the entire test.

The water as pumped from these wells was analyzed by the State Department of Public Health and received their complete approval, also the location of the wells was approved by them.

Weston and Sampson, Consulting Engineers of Boston, were employed to advise the Water Department as to the best method to develop this water supply.

At a Town Meeting held April 27, 1942, the Town authorized the water & Sewerage Board to purchase, in behalf of the Town, approximately 25 acres of land, on the southerly side of Bay State Road, from Benjamin Cox, also to construct a concrete well and brick pumping station directly over the well and equip same with the necessary pumps, motors, etc.

A driveway has been constructed from Bay State Road to the site of the pumping station.

On July 28, 1942, the contract was entered into with Warner Bros. & Goodwin Co. Inc. of Sunderland, Mass., for the construction of a concrete well, and pumping station to be built directly over the well, for \$10,200.00. Work has progressed very satisfactorily on this contract. At the time of writing, the well and pumping station are practically complete with the exception of a small amount of grading and a concrete walk which will be completed as soon as weather conditions will permit.

On July 28, 1942, the department entered into a contract with Ralph P. Hall, Inc. of Boston, for the installation of the pumping equipment and switch-board. This contract has progressed quite satisfactorily but delays have been necessary due to inability to obtain material. It is doubtful now if this station will be in operation before January 1943.

It was necessary, in connection with this project, to construct an 8 inch pipe line approximately 4,400 feet in length. This pipe line serves two very important purposes; (1) it serves as a discharge line from the pumping station to Vernon Street near the Lynnfield Line and also to the easterly and now existing 8 inch pipe on Bay State Road, (2) this pipe also connects a dead end near the Wakefield-Lynnfield Line on Vernon Street with an existing dead end on Bay State Road east of Main Street, thereby eliminating two very troublesome dead ends, also increasing the fire flow in both of these locations very materially.

FILTRATION PLANT

The filtration plant has, as in the past, produced an excellent quality water.

During the coming year, repairs should be made to the filters as follows: A new concrete floor in each aerator, also repairs should be made to the concrete ceiling of the filtered water basin, as the concrete at this point, has cracked and fallen off to a considerable extent, exposing the reinforcing steel in many places.

MUTUAL AID CONNECTIONS

In addition to the existing mutual aid connection a six inch connection was made with the Reading Water Supply at Lowell Street and Line Road, this being the Wakefield-Reading Town Line. The Town of Reading also installed a hydrant within a few feet of the Town Line on Lowell Street. This hydrant may be used should it be necessary to pump water from the Wakefield System into the Reading System or vice versa.

SPRINKLER SYSTEMS

Water is being supplied by this department to 26 sprinkler systems in buildings within the town, also we are supplying water to 15 private hydrants. This department receives no recompense of any kind for this service rendered.

SEWER MAIN CONSTRUCTION

During the year, sewers were constructed in the following streets:

ROBERT STREET—From existing sewer, installed in 1941, westerly and southerly to Forest Street, 740 feet of 8 inch vitrified tile pipe, to serve a new development.

FOREST STREET—From Robert Street easterly 230 feet of 8 inch vitrified tile pipe, to serve a new development, also westerly from Robert Street 272 feet of 8 inch vitrified tile pipe.

STEDMAN STREET—From a new manhole in the existing sewer, northerly 100 feet of 8 inch vitrified tile pipe.

VICTORY VILLAGE

This sewer was laid and paid for by the owners of this property under supervision of this department, and on its completion it was accepted by the department in behalf of the town as a part of the sewer system.

JEFFERSON ROAD—From a manhole in Wakefield Avenue, westerly and southerly 824 feet of 8 inch vitrified tile pipe to serve a new development.

HAMILTON ROAD—From a new manhole in Jefferson Road, westerly and southerly 447 feet of 8 inch vitrified tile pipe to serve a new development.

GRAVITY SEWER SYSTEM

The greater portion of the Gravity Sewer System has been brushed and flushed and the sections which were infested with tree roots have been given special attention. All broken and cracked manhole covers and frames have been replaced.

LOW LEVEL SEWER SYSTEM

The Low Level Sewer System has, as in the past, rendered excellent service. During the year this system has received the necessary care and attention.

CRYSTAL LAKE PARK SEWER

The Crystal Lake Park Sewer Project under the W. P. A. was closed on November 1st due to the Federal funds being exhausted. On November 7th this department started to complete the unfinished portions of this system. This work was completed on December 5, 1942 and is now ready to receive house sewage from this section of the town.

MAIN STREET SEWER EJECTOR STATION

The Main Street Sewer Ejector Station which has been in service over five years has, during the year, operated in a very satisfactory manner and has been given the necessary care and attention.

During November 1942, Joseph Connaire was inducted into the Army.

Builder of Pumping Machinery:

BROADWAY PUMPING STATION

HIGH LIFT PUMP

- A. Knowles Steam Pump Company—one 10-inch x 19-inch x 11-inch x 27-inch duplex compound condensing steam pump. Capacity 1.8 million gallons per twenty-four hours.

HIGH LIFT PUMP NO. 1

- B. Goulds' Pumps, Incorporated—one single stage centrifugal pump, direct connected to 150 horsepower, 550 volt, three phase slip ring motor, capacity 2.5 million gallons per twenty-four hours.

HIGH LIFT PUMP NO. 2

- C. Goulds' Pumps, Incorporated—one single stage centrifugal pump, direct connected to 150 horsepower, 550 volt, three phase slip ring motor, capacity 2.5 million gallons per twenty-four hours.

LOW LIFT PUMP NO. 1

- D. Goulds' Pumps, Incorporated—one single stage centrifugal pump, direct connected to 15 horsepower, 550 volts, three phase slip ring motor, capacity 2.5 million gallons per twenty-four hours.

LOW LIFT PUMP NO. 2

- E. Goulds' Pumps, Incorporated—one single stage centrifugal pump, direct connected to 15 horsepower, 550 volts, three phase slip ring motor, capacity 2.5 million gallons per twenty-four hours.

Total Station Capacity—6.8 million gallons per day.

SEXTON AVENUE PUMPING STATION

- A. Goulds' Pumps, Incorporated—one 8-inch x 10-inch triplex pump, belted to one Allis Chalmers, 30 horsepower, 220 volt, three phase squirrel cage motor, capacity 388,000 per twenty-four hours.
- B. Lawrence Pump and Engine Company—one single stage centrifugal pump, direct connected to 40 horsepower, 220 volt, three phase squirrel cage motor, capacity 576,000 gallons per twenty-four hours.

Total Station Capacity—576,000 gallons per day.

PURIFICATION STATISTICS:

Installed, 1927

Type of treatment:

Aeration

Slow Sand Filters

Capacity of filters: 2.5 million gallons per twenty-four hours.

Kind of Chemical Applied: Liquid chlorine applied to filtered water.

Distribution System:

Range in pressure in center of town, 80-90 pounds.

Kind of Pipe:

Cast Iron

Wrought Iron

Cement Lined Sheet Iron

Sizes: 2-inch to 20-inch

Extended during the year—6,955 feet.

Total now in use—60.09 miles.

Number of hydrants added—4.

Number of hydrants in use—383.

Number of stop gates in use—858.

Range of pressure on mains—26 pounds to 115 pounds.

Total number of service taps—4404.

Number of service taps now in use—4204.

Percent of active services metered—99.4%.

In conclusion, I wish to extend my sincere thanks to each and every member of the Department for co-operation in all emergencies during the year.

I also extend my thanks to the heads and members of the various town departments for their support and co-operation during the year.

Respectfully submitted,

MORRISON MERRILL,
Superintendent

Report of Board of Public Welfare

To the Citizens of the Town of Wakefield:

The Board of Public Welfare respectfully submits its Annual Report for the fiscal year of 1942.

GENERAL RELIEF

The amount expended for General Relief during 1942 indicates a reduction from the amount expended during 1941. This follows the trend of the past three years. We believe this trend will continue during 1943.

The number of employable males on General Relief during 1942 has been the smallest in the past ten years. This has been due to the Defense Program of the Federal Government, plus increased civilian employment.

Due to the generally rising costs, especially in the prices of foods, we have increased the amount allowed to recipients of General Relief.

On December 1, 1942 this Department took over the supervision of the distribution of Surplus Commodities, and will continue as long as these commodities are available and the cost of labor is supplied by WPA.

Due to the fact, that during the past year, the Department has had no able-bodied recipients on relief rolls, we have not been able to assign help to various town departments as in the past to work out food orders.

AID TO DEPENDENT CHILDREN

In Aid to Dependent Children cases, the federal government has made a grant in each case of 50% of the assistance rendered for each child under sixteen years of age, or eighteen years of age if regularly attending school, with the maximum amount shared in being \$18.00 for the first child and \$12.00 for each subsequent child under sixteen years of age. The question of legal settlement does not apply in this form of aid.

This form of relief is based entirely upon budget submitted by the Department of Public Welfare of the Commonwealth to be used in ascertaining the proper budget for each family aided.

We have attempted in all cases to keep the budgets of our recipients in line with the figures submitted by the State Department of Public Welfare.

TOWN INFIRMARY

The conduct and cost of the Town Infirmary is one of the incumbent affairs imposed upon the Board of Public Welfare. Here are gathered dependents not otherwise provided for. We consider the Infirmary well managed, and conservatively operated.

There is a slight increase in the per capita cost of this year, due to the fact that our average number of inmates has been lower than in previous years, also that the cost of food has been higher. Fresh vegetables raised were used at the Infirmary and also given to Welfare recipients.

Mr. Jeremiah J. Peck, Superintendent, has been granted a leave of absence to join the United States Marine Corps, and may be called for duty early in January 1943.

During the year 1942 the horses used at the Infirmary were loaned to the Board of Public Welfare by the Whiting Milk Company, gratis, other than keep.

ADMINISTRATION — SALARIES

NUMBER OF INMATE MAN DAYS PER MONTH FOR 1942

Month	Inmates	Man Days
January	17	451
February	16	428
March	16	387
April	15	353
May	14	401
June	14	415
July	14	419
August	13	388
September	13	374
October	12	372
November	14	399
December	14	434
	<hr/>	<hr/>
Total	172	4821

Man days represents the actual number of days inmates were at Infirmary. This differs from previous method of figuring, as in the past we have submitted highest number of inmates for each month.

COMPARATIVE OPERATING COSTS

Year	Gross Expense	Receipts	Net Expense	No. of Inmates	Gross cost Per week	Net cost Per week
1938	\$8,818.38	\$1,161.66	\$7,656.72	293	\$ 7.52	\$ 6.52
1939	9,686.86	1,802.62	7,884.24	249	9.72	7.91
1940	8,525.77	1,728.18	6,797.59	256	8.32	6.64
1941	8,504.95	616.65	7,888.30	191	11.13	10.32
1942	7,761.31	502.10	7,259.21	172	11.27	10.43

The above figures represent actual cost for inmates for year 1942, plus revised costs for previous years, as we have changed method of figuring cost; i.e., Administration, salaries have been charged against cost of inmates.

COMPARATIVE STATEMENT OF APPROPRIATIONS AND EXPENDITURES FOR YEARS 1941 AND 1942

OLD AGE ASSISTANCE

Application for Old Age Assistance can be made by citizens 65 years or older, whose financial circumstances are such that they require assistance.

May we remind you that Old Age Assistance is not an Old Age Pension.

The local Bureau has the duty of determining eligibility and is subject to State and Federal regulations.

The law still requires children to support their parents provided they are able to do so. A careful check to determine their ability to assist in full or part is required.

The total expense of this division would be extremely heavy without both State and Federal reimbursements.

Old Age Assistance laws are constantly being liberalized.

TAX LIEN FORECLOSURES

During the year 1942, ten tax lien petitions were presented by the town to the Land Court for foreclosure and are still pending. One parcel of foreclosed property has been sold for \$150.00.

FINAL STATEMENT

During the year 1942, the following time loans will fall due and are to be included in the tax levy for 1943:

Greenwood School	\$ 9,500.00
Extension of Sewer	15,500.00
Street	2,000.00
	<hr/>
	\$ 27,000.00

REPORT OF TOWN TREASURER

197

Water Loans (included in Water Department appropriation)	29,000.00
Light Plant (paid from receipts of plant)	7,000.00
	<hr/>
	\$63,000.00

There will also be required the following amounts to meet the interest payments:

Greenwood School	\$	201.87	
Extension of Sewer		1,758.12	
Street		157.50	
Temporary Loans (estimated)		4,382.51	
		<hr/>	\$ 6,500.00
Water Loans (included in Water Department appropriation)			3,235.00
Light Plant (paid from receipts of plant)			361.87
			<hr/>
			\$ 10,096.87

The borrowing capacity of the town on temporary notes in anticipation of 1942 revenue was \$759,066.35 as determined by the State Director of Accounts. Of this amount, the town borrowed the sum of \$400,000.00 and of this latter amount, \$200,000.00 has been paid, leaving \$200,000.00 to be paid in 1943.

Respectfully submitted,

JOHN I. PRESTON,
Treasurer

Report of School Committee

ORGANIZATION OF SCHOOL COMMITTEE

School Committee for 1942

Patrick H. Tenney, Chairman 14 Emerson Street	Term Expires 1943
Mrs. Eva Gowing Ripley, Secretary 40 Emerson Street	Term Expires 1943
James A. Fox, Treasurer Fox Road	Term Expires 1944
Mrs. Mary Louise Tredinnick 129 Pleasant Street	Term Expires 1945
James M. Henderson 118 Prospect Street	Term Expires 1945
Paul A. Saunders 309 Albion Street	Term Expires 1944

SUB-COMMITTEES

The Committee as a whole acts as sub-committees with the following chairmen:

Mrs. Tredinnick—Text Books and Supplies
Mrs. Ripley—Personnel
Mr. Henderson—Public Property
Mr. Fox—Finances and Accounts
Mr. Saunders—Courses of Study

SUPERINTENDENT OF SCHOOLS

Willard B. Atwell, 94 West Chestnut Street

SECRETARY TO THE SUPERINTENDENT

Pauline E. Meads, 7 Park Avenue

SECRETARY

Doris Skinner, 9 Franklin Street

SCHOOL COMMITTEE REPORT

The School Committee desires here to draw attention to various aspects of our educational problems that have, of necessity, occupied our attention, study and action throughout the year. Needless to say, the present emergency has brought, and is bringing changes and adoptions in our school procedure that are laid upon us by State and Federal governments. Not a few of such changes and additions will be commented on in the reports that follow.

They are commended for careful reading to parents and all others interested in boys and girls.

Here are some of them:—holding up standards by maintaining long attendance requirements; co-operating with Civilian Defense; authorizing formal visits by supervisors, and the keeping of records of such visitations; recommending the raising of salaries to compensate for the rising cost of living; salary adjustments in recognition of outstanding and extra work; and the providing of the most up-to-date equipment for visual education.

The Committee has assured High School Senior boys who enter the armed forces before the end of the school year, and have completed the requirements for graduation, that their diplomas will be awarded to them in June.

It has been difficult, because of the present emergency, to obtain competent teachers at our salary figures. Certain restrictions regarding the employment of married teachers have, therefore, been removed for the duration.

An adapted military drill program for Senior and Junior boys has been in operation since September, 1942.

We desire here to express to our entire teaching personnel our grateful and appreciative thanks for their work upon registration and rationing.

This work was arduous, it was also patriotic. We thank them also for their earnest efforts to maintain under difficult conditions, a high standard of teaching and professional efficiency.

We thank the janitors of our school buildings for the countless hours of evening work which have devolved upon them because of the increased use of school buildings for war activities.

This increased use has meant, of necessity, increased cost of maintenance.

The Committee has endeavored to maintain a rotating plan for the repair of buildings.

There is no doubt but that education is in process of extensive changes.

We have endeavored to keep abreast of these changes and at the same time to do our best for the boys and girls of our public schools during this unusual and difficult year.

PATRICK H. TENNEY, Chairman.

MRS. EVA GOWING RIPLEY, Secretary

JAMES A. FOX, Treasurer.

PAUL A. SAUNDERS

MRS. MARY LOUISE TREDINNICK

JAMES M. HENDERSON

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee:

The following is the first report of the Superintendent of Schools to be presented during World War II.

Excerpts from the reports of Principals, the School Physician and the Attendance Officer are included in the body of the report.

Education today has the task of carrying on educational processes which train those who are to be our future leaders and at the same time prepare our youth to fit themselves to be of the most assistance to our armed forces, the Government and to humanity in general.

To this end we are still giving courses preparing for all advanced schools, technical schools, colleges and teacher training schools. At the same time we have changed the content of many subjects to give the students as good preparation as possible for entrance into the Services.

Pupils have been trained for fire-drills, air-raid drills and how to act when the signals are sounded. Each signal is different from every other and they know what to do. For semi-evacuation or resorting to the building shelters, the "Victory" code is used. All parents have arranged what their children shall do in case of an evacuation and they are not at home. At Montrose, the bus pupils of necessity are obliged to remain in the building shelter during the entire period till the "all clear" signal in any case or type of drill except fire-drill.

The war brought forth additional difficulties during the year in the matter of school attendance. If affected children of all ages.

The past year brought about the issuance of more working certificates than ever before, for both part-time and steady employment. Jobs are plentiful and the compensation is so attractive that many students leave school.

I suggest a careful reading of statistics, to be found in the appendix, on enrollment, attendance and expenditures.

RATIONING

The teachers have given unstintedly of their time and energies to work on registration and rationing of sugar, gasoline and fuel oil. All these activities have taken a great deal of extra time outside of school hours. The work was done in a fine spirit and with a desire to help the citizens as much as possible.

Besides the actual time spent at the rationing rooms, the teachers had to attend meetings for instructions and also to assimilate the information for the rationing. For all this work there was no extra compensation and none was expected.

SPECIAL COMMITTEES

A committee of teachers in the elementary schools, with Principal Eliot Leonard acting as chairman, did a good piece of work in arranging a course of study for Arithmetic. This committee spent many hours in conferences and study, and finally presented a well rounded up-to-date course which was accepted and adopted by the School Committee. The new textbooks to carry on the changes in the curriculum are already in use.

HIGH SCHOOL

The enrollment at the beginning of the school year was as follows:

	Boys	Girls	Total
Post Graduates	1	1	2
Seniors	117	117	234
Juniors	115	140	255
Sophomores	99	124	223
Freshmen	167	141	308
	<hr/>	<hr/>	<hr/>
	499	523	1022

The enrollment was 78 less than last year.

We have continued the rotating daily schedule for this year to give the plan a thorough trial. The teachers were equally divided on the disadvantages and advantages of the system at the end of the year. Those teaching Woodwork, Physics and Chemistry laboratory work, Cooking, Drawing and Gymnasium work like the longer periods.

We have a course in elementary Aeronautics and fifty Juniors and Seniors are taking that subject. We have not made any changes in the College and Scientific Preparatory Courses, but in the other courses we have made War Mathematics compulsory for all boys in the Freshman and Sophomore years, and War Science for all boys in the Senior and Junior years. Also all Senior and Junior boys must take Military Drill one period a week. This instruction is under the supervision of Capt. Gray Brockbank and Lt. Robert MacKenna of the State Guard. Since September, all Senior and Junior boys are given two periods a week of Physical Education and beginning with January, 1943 they will have four periods a week. Since all boys eighteen years of age and over are to be drafted for war, we endeavor to do as much as possible to make them physically fit for that service.

Of last year's graduating class, thirty-three entered degree-granting colleges and twenty-five continued their education in other schools of learning. Thirteen entered the armed forces.

The High School is rated Class A by the State Department of Education. Also we are on the approved list of the College Entrance Examination Board, which means we can certify pupils who have a rank of B or higher in the subjects required by colleges for entrance for admission to college without examinations.

Our athletic teams have been successful and we have a very healthy attitude toward sports. We won the hockey championship of the Eastern Massachusetts Hockey League last year. This is the first year we have been members of the league. Our hockey coach this year is Clarence Muse.

The changes, brought about by the war, in the home and civic life affect not only our regular school work, but the extra curricula activities, and make it exceedingly difficult to accomplish the amount of school work we did before the war. There are more opportunities to work after school and Saturdays in stores and factories and so less time is given to studying daily lessons. A good number of Seniors work during the night shift in the Navy Yard or on Defense Work. They work usually from 3:00 P.M. to 11:00 or 12:00 P. M."

ELEMENTARY SCHOOLS

The pupils of the elementary schools have responded nobly to all appeals for saving metal, tin, paper and other materials for which drives have been made. Especially, have they responded to the appeal to purchase War Stamps.

The pupils pledged to purchase stamps during the summer. They have increased their purchases since September and apparently, they invested their Christmas presents of money in this cause, because the amount was over one hundred dollars, the first week after vacation. The teachers are also buying both stamps and bonds outside of the school purchases as well as buying some through the schools.

The Montrose Parent-Teacher Association presented the school auditorium a beautiful taffeta-rayon flag with staff and standard to be used at all assemblies. The school appreciates this gift very much and enjoys it keenly.

The professional attitude of the teachers is definitely good. Many have been taking extension courses with no other incentive than the knowledge that a worthy member of the profession has dedicated himself to a lifetime of study. The professional attitude of the others is clearly displayed in the conscientious manner in which they carry on their work, in spite of the unusual conditions and difficulties of a war year.

The Franklin School Parents' Group has presented the school with a piano, a radio-phonograph for assemblies, some gymnasium equipment and scales for weighing the school children. These gifts are fully appreciated by pupils and teachers.

Parents' night was observed in several schools following the issuance of the first bi-monthly pupils' reports. The purpose of them was to afford to both mothers and fathers, the opportunity to meet the teachers of their children. Such visits are productive of a firmer rapprochement between parents, teachers and pupils.

Regularly a health check-up is made in the grades. Cleanliness and the care of the hands, nails, neck, face, teeth, hair and personal appearance are noted. Due precaution is taken not to embarrass any pupil. In this way the children are made cleanliness-conscious.

HEALTH

The following paragraphs taken from the report of the School Physician concern the health of the students in the Wakefield Schools for the past year.

The physical condition of the students may be considered good. There was no evidence of malnutrition. An occasional student was noted who was underweight.

In my former report I went into some detail concerning the care of the teeth, yet it is far from perfect. A record of all cavities, fillings and perfect teeth has been made and recorded.

In the High School there were 113 students who have facial blemishes. Just as good teeth need constant care and attention, so too, does the skin require the same diligent care. When one constantly insults the skin facial blemishes result. In the examination of the grammar grades, some children were noted with skin conditions, the precursor of facial blemishes. This is the fault of the parent in not seeing that the child washes properly daily.

Due to war time schedule, children must arise when it is dark outside and dress and bathe by artificial light. This is the first year that children ever had to arise from bed with darkness outside. Parents should see therefore that their children wash properly before going to bed.

A greater responsibility now rests on the teachers, and they must constantly check on their students to make sure that the children have not neglected their morning hygiene.

The year 1942 finds our country fighting a global war and many of the Senior Students are subject to call to the armed forces of our country. As the war continues, the Junior students may also join the armed forces when they reach the age of eighteen years. It has been shown that very exacting physical training is necessary to fit the recruits for what lies before them, and much time and thought should be given to the program that will harden, toughen, and physically fit each student in the High School.

We must begin in their early years to teach children proper habits. We must make good health habits so interesting that young people will have an incentive for practicing them.

As matters stand, children often reach High School with too little knowledge of health principles. It must be admitted that under our crowded conditions and with our limited health personnel, too many young people leave High School without much change in their health status!

In a former report, I mentioned the importance of Pre-School Examinations. This coming year I hope to make the Pre-School Examination a reality.

A history of the child's diseases would also be recorded. Any defect noted should be remedied before the child goes to school in September, upon the advice of the family physician. The time lost from school in the first grade would be considerably lessened, since this grade is the foundation of the child's education.

USE OF BUILDINGS

The facilities of the High School are used to a large extent by various branches of the Civilian Defense, Red Cross, Scouts and 4-H Clubs. The Greenwood and Montrose Schools are used to a lesser extent. All this extra usage entails extra expenses for light and heat. These are borne by the School Department.

LEAVE OF ABSENCE

The following are on leave with the Armed Forces:—

TEACHERS

Homer Shellenberger—with the U. S. Navy
Robert D. King—with the U. S. Army
Lucian Colucci—with the U. S. Army
Francis W. Dinan—with the U. S. Navy

GENERAL WORK

Charles B. Lally—with the U. S. Army

RETIREMENTS

Mrs. Eva M. Chick retired because of poor health at the end of the school year in June 1942, after teaching sixteen years in Wakefield. She taught in the Lincoln School for nine years and for seven years in the Franklin School.

Mrs. Chick was thoroughly interested in the progress of her pupils and gave unstintingly of her time and energies. The pupils who passed through her grades received a thorough foundation for the advanced work in the High School and the need of this preparation was kept constantly before them.

We hope Mrs. Chick will have many years to do the things she has always wanted to carry on.

Mr. Michael M. Neary, after fifteen years of service as school custodian, retired on December 31, 1942, because of ill health. Mr. Neary served at the Hurd School for three years and at the Greenwood School for twelve years.

The community has lost the valued services of a faithful worker and friend in the retirement of Mr. Neary, for many years the custodian of the Greenwood School.

We wish him many years of happiness in his retirement.

ATTENDANCE

Truancy in the High School has been frequent. Absences, tardiness and dismissals have been altogether too numerous.

The problem of what to do with the fourteen-to sixteen-year old children has again been a source of anxiety for the attendance department. Here we have many of these children, mostly in the first and second year classes at High School, and some in the Elementary Schools, not much interested in their school work, yet compelled by law to attend. The law prohibits employment until a minor is sixteen years of age, except with permission of the Superintendent of Schools. Federal regulations prohibit the employment of any child under sixteen years of age on work in connection with goods shipped in Interstate Commerce.

The Supervisor of Attendance is compelled by law to report violations of the Labor Laws.

MAINTENANCE

The Committee Agent has rendered the following as a report on the maintenance of school property:

No large project was undertaken during 1942 on account of the difficulty in obtaining priorities for building materials and also because of their increased cost. The largest paint job was the wood trim on the North and East sides of the High School and four classroom ceilings and walls. Another fairly large project was the changing over of the thermostatic type of traps in the fan heating room of the High School to the float and thermostatic traps.

The Wakefield Light Department co-operated with our Department in granting the use of its air compressor to blow out regularly the boiler tubes in the High and Lincoln Schools.

More attention was given to Walton Field than in previous years through the "rolling down" of the soil by the Highway Department gasoline roller, after grass seed had been sowed. The running track was scarified and rolled after several tons of cinders from the High School boilers had been spread on the track during the Winter months.

Five rooms were made available for the Headquarters of the American Red Cross and its volunteer services in the Lincoln School. Rooms were also provided, as well as janitor service, light and heat, in several schools for courses of instruction by the Red Cross, Defense Corps and Air Raid Precaution Unit. Three schools have been made available as headquarters for the Auxiliary Police.

At the Montrose School a wooden platform and set of stairs were removed and replaced with concrete. The Auditorium floor was refinished and blackout shades in the skylights were replaced.

The entire second floor, ceilings and walls, and two stairwells were renovated at the Hurd School. Ten new window sash were set in the basement and the old sash was used as storm windows. The library was removed to the office of the Principal. Rockwool was purchased for the insulation of the attic space. This is expected to conserve considerable heat. Another large saving was made in the use of coal over the previous year through the operation of the stoker for the second year. Eight tons less of soft coal were burned than in the Winter of 1940 and 1941.

The Auditorium floor of the Woodville School was sanded and refinished. The use of floor oil in this building and the Montrose and Hurd Schools has been abandoned and all floors have been treated with a wood seal preservative.

The Warren School building went through its first Winter season with the modern heating installation of 1941 and a saving of fuel.

Per Pupil Costs

The cost per pupil for instruction and maintenance, exclusive of general control, based on the average membership for the school year 1941-1942 is as follows:

High School	\$ 123.27
Elementary Schools	82.09
All Public Schools	97.44
State	114.06
Total Expenditures for 1942	\$ 283,326.82
Receipts for 1942	42,584.13
Net cost from local taxation	\$ 240,742.69

The Town is very fortunate in that the School Department did not install oil heating systems when the changes were made in the Hurd School in 1940 and the Warren School in 1941. All schools burn coal and not a school day has been lost on account of lack of heat.

Respectfully submitted,

WILLARD B. ATWELL,
Superintendent of Schools.

H

CHANGES IN PERSONNEL IN 1942

On Leave — U. S. Services

Lucian J. Colucci	High School
Francis W. Dinan	High School
Robert D. King	Music Supervisor
Charles B. Lally	General Work

Retirements

Eva M. Chick	From Franklin School
Michael M. Neary	Janitor, Greenwood School

Resignations

John Butler—From High School	To Mass. School of Art
Marion E. Garland—Further study	From Montrose School
Rita T. Neagle—To be married	From High School

Appointments

Sally Currier King—For duration	Supervisor of Music
Irja E. Hykkyri—From Townsend	To Greenwood School
Ruth E. Cronin	To Hurd School
Susie L. Rich—For duration	To Montrose School
John Fletcher—Custodian	To Woodville School
Richard E. Giles—Fireman, General Work	To High School

Transfers

Ruth V. Conley—To High School	From Hurd School
Nancy D'Amico—To High School	From Warren School
Catherine A. Doran—To Franklin School	From Lincoln School
Winifred Geizer—To Montrose School	From Greenwood School
Mary P. O'Connell—To Warren School	From Greenwood School
Chester I. Hopkins—Custodian— From Woodville School	To Greenwood School

THE COMMENCEMENT PROGRAM

of

The Class of Nineteen Forty-two

Wakefield, Massachusetts

The Auditorium

June the eleventh

Eight O'clock

The Theme: The Youth of America Speak

THE PROGRAM

Overture and Processional

Flag Salute

Star Spangled Banner

Essay—Youth Defends America

Mildred Joan Cardillo, Salutatorian

"The False Gods"

Recessional

CLASS SONG

To Wakefield High School

Dear School, we leave you now to tread
Along Life's road of hope and dread.
We must not falter on the way,
Our country calls—we youth obey.

To you, our School, a song of praise,
A song of joyful, carefree days.
We raise our voices to the sky
In love of you, dear Wakefield High.

No matter what our lives may hold,
Our faith will meet it, strong and bold.
With courage rare, with conscience clear,
Onward we strive, devoid of fear.

Dear School, we'll face the storm and gale,
We promise you we will not fail.
We'll lift your standards, high and true
Fore'er—The Class of Forty-two!

Words by Ronald Robinson, '42

Music by Robert Peterson, '42

Class Motto

"Life is What We Make It"

Class Colors

Blue and Gold

The accounts of the Treasurer have been examined and found to be in agreement with the Accountant's books.

Cash balances have been verified and found to be distributed as follows:

General Funds:

On deposit in:

Wakefield Trust Company	\$163,829.35
Second National Bank of Boston	299,259.82
Cash in hands of Treasurer, not deposited until January	182.61

Total December 31, 1942 \$463,271.78

Trust Funds have been checked by examination of Savings Bank deposit books.

Investment Funds, consisting of \$10,000.00 U. S. Defense Bonds 2½ % —Series G have been checked and found in custody of the Treasurer.

Funds of the Contributory Retirement System have been checked by examination of Savings Bank and Co-operative Bank books, securities and statement of the Wakefield Trust Company covering checking account, and have been found to be in agreement with the Town Accountant's books and the report of the Retirement Board. Funds are invested in the following manner:

Savings Banks	\$ 52,041.13
Co-operative Banks Paid-Up and Matured Shares	14,000.00
Co-operative Bank Serial Shares, including accrued interest	11,949.63
100 Shares First National Bank of Boston (purchase price)	3,900.00
100 Shares National Shawmut Bank of Boston (purchase price)	2,287.50
Wakefield Trust Company checking account	5,232.88
Checks for Payroll Deductions in hands of the Treasurer not deposited until January	22.72
Total Funds December 31, 1942	\$ 89,433.86

All permanent and temporary loans cancelled during the year by the Treasurer have been examined and found to be as reported.

I wish to express my appreciation to the Honorable Board of Selectmen and all other officers and employees who have been of assistance in the work of this department.

Respectfully submitted,

CHARLES C. COX,
Town Accountant
